Fort Saint George, Revenue Consultation of 8th January 1858.

No. 68. Read the following Extract from the Proceedings of the Board of Revenue; dated 17th December 1857, No. 4566.

Read Extract Minutes Consultation dated 3rd December 1857, Revenue Department.

(Here enter No. 1251.)

The Board remark that in their Proceedings of the 5th November last, No. 3773, they merely intended to express their opinion that the same establishment that Government had sanctioned for the four furnished bungalows on the South trunk road would suffice for the Coonoor building.

2. The Board were perfectly aware that they had no authority for entertaining servants nor did they in the above Proceedings even ask for sanction in-as-much as they waited till a statement of Establishments for all bungalows requiring them was prepared in their Office. They have not authorized Establishments of this kind without sanction and so far as they are aware, none have been entertained by the Collectors.

3. To avoid all chance of mistakes however they resolve now to intimate to all Collectors that previous sanction is requisite for all bungalow Establishments and to request an immediate report if any have been entertained without such authority.

4. The return called for on the 24th June last, No. 639, Revenue Department is delayed solely by the non-receipt of some of the reports called for from Collectors.

5. Resolved that a copy of these Proceedings be submitted for the information of Government and that the following Circular be issued.
