Fort Saint George, Revenue Consultation of 12th January 1858.

No. 7. Read the following letter from J. D. SIM, Esq., Acting Secretary to the Board of Revenue; to C. WHITTINGHAM, Esq., Collector of North Arcot, dated Fort Saint George, 15th December 1857, No. 4484.

SIR,

With reference to your letter of 26th November 1857, the Board are most desirous that no delay should take place in issuing the Notification to the ryots of your district as to the changes lately sanctioned in the assessment, and as it appears that till the question of the road fund is settled you have postponed the Notification, the Board are of opinion that you may at once notify that a deduction of 2 per. cent will be made on each Puttah, on account of the district road fund.

The Board in para. 21 of their Proceedings of 11th January 1855 proposed a percentage levy, and the Government in Extract Minutes Consultation of 23rd April 1855, para. 14, sanctioned the principle, and though the Board in their Proceedings of 12th November 1857, para. 23 proposed to Government 2 per cent. they believe that under the circumstances they can sanction your naming that amount in the Notification.

2. You will be good enough to send a copy of the proposed Notification before it is promulgated for the inspection of the Board, and it is very desirable it should be as short as is consistent with an explanation of the reduced rates. The question of permanent Puttahs need form no part of it. That will be for future consideration. Nor should it treat of subjects which more properly belong to the details of a Hukamnamah.

No. 8. ORDER THEREON, No. 38; dated 9th January 1858.

The Board submit, for the information of Government, a copy of their letter to the Collector of North Arcot dated 15th December 1857, on the subject of the notification to be issued to the ryots respecting the changes sanctioned in the assessment of that District. The Board instruct the Collector to notify that a deduction of 2 per cent. will be made on each puttah on account of the District road fund; the Government apprehend that this is a mistake, and that the Board mean that an addition, and not a deduction, of 2 per cent. will be made to each puttah on the above account. With this exception, the Government see no objection to the instructions issued.

(Signed) H. FORBES,
Acting Secretary to Government.
