Fort Saint George, Revenue Consultation of 27th January 1857.

No. 17. Read the following letter from *W. ROBINSON, Esq., Acting Collector of Malabar; to T. PYCROFT, Esq., Chief Secretary to Government Political Department, Fort St. George, dated Calicut 20th December 1856 No. 127.*

SIR,

The Civil Auditor having objected to pass some of the items in my Pensionary Abstract under the head of compensation in lieu of resumed land Offices and privileges in consequence of changes in the names of certain incumbents which arose from casualties, &c. I have the honor to submit a Comparative Statement shewing the alterations that have taken place, and to solicit the early sanction of Government to enable me to debit in the accounts the amount now in arrears.

No. 18. ORDER THEREON, No. 87; dated 22d January 1857.

With the foregoing letter the Acting Collector of Malabar submits for sanction a statement shewing the alterations in the Maulikanah paid to certain Rajahs and their families in that district.

2. The alterations consist in most cases of the continuation of the pensions on the decease of incumbents without the authority of Government. Such unauthorized renewal of the allowances is wholly irregular and opposed to the positive order of Government dated 12th April 1844 No. 353. On the 14th November last, the Government had under notice other alterations in the Maulikanah of Malabar and it is not known whether there are still any more. The present statement does not show how the persons now drawing the allowances are related to the former Pensioners; and such information is necessary to enable the Government to authorize the substitution of the names.

3. The Right Honorable the Governor in Council resolves therefore to request the Board of Revenue to require the Acting Collector to submit a statement shewing all the alterations in the Maulikanah which may have been made without authority from Government, inclusive of those alluded to in Mr. Robinson's present letter, with explanation in each case as to how the persons now drawing the allowances are related to the former incumbent. Information should also be furnished as to the origin and nature of the grants as far as the Collector's records may show.

4. The Board will further call the attention of all the Collectors to the order of April 1844 above noticed and enjoin strict conformity to it.

5. The Board will inform Mr. Robinson that his present letter ought to have been addressed to them, and not direct to Government.

(Signed) J. D. BOURDILLON,
Secretary to Government.
