From R B Thurston Esqre
Head Asst to the Collector
& Magistrate of
Tirunelveli

To J Lushington Esqre
Chief Auditor
Fort St George

Sir

I have the honor to acknowledge the receipt of the extract from the minutes of consultation under date the 13th January and to forward my medical certificate countersigned by the members of the

Medical Board and to request
you to forward to Government
this my application for furlough
for one year under section XV of the
absentee rules instead of leave
for fifteen months under the sec-
=tions for sick leave

II I further have the honor to
inform you that I proceeded to
the Cape of Good Hope upon sick
leave under the old rules for
eight months (see Gazette 29th Oc-
=tober 1850) that period being

extended for eighteen days, until
the 18th July 1851, (the date of my
return) in the Gazette of August
18th 1851. I embarked on the 18th Novem
=ber 1850 and returned on the 18th
July 1851 so that my previous absence
within the period of six years
may perhaps be considered a
"short leave to sea" and so not
affected by the resolution of the
10th September 1856 prohibiting furlough

III I further wish to be permitted
to state that if the Government

cannot without reference to
the Lieutenant Governor
permit me to proceed
upon furlough that I may be
present to proceed upon sick
leave. I have the honor to be

Report of the Civil Commissioner

On this application for
Civil Surgeon Ross the Board is
not aware that any leave out
of India has been granted since he
returned from Delhi leave
granted previous to his return from
beyond Sea, leave of absence or
furlough for twelve months under
Sec. XV of the Civil
Service Regulations of the Civil
Service of India to be granted
agreeably to the Resolution of the
Government of India dated the
10th September 1856 unless it be
held by Government that his pre-
vious absence for 8 months and
1 day may be considered as a
"short leave to sea" and as such
entitle him to the benefit of
the exception made to that rule.
But there is no objection to leave
for twelve or fifteen months to
pioneers to Europe being granted
to that Gentleman under the
accompanying Medical Certificate
