(51-41)

Fort Saint George, Revenue Consultation of 20th January 1857.

No. 24. Read the following letter from J. SILVER, Esq., Collector; to J. D. BOURDILLON, Esq., Secretary to Government, Fort Saint George; dated Tinnevely 17th December 1856, No. 420.

Sir,

The wishes of the Ceylon Government respecting the New Orleans Cotton seed (above 8000 lbs.) at Shivacausey, the produce of the late Government farm at that place, and referred to in correspondence noted in the margin, not having as yet been communicated to this office, and as the Tassildar of the Santoor talook, under whose charge is the Gin House at Shivacausey, in which the Cotton seed in question is stored, reports in reply to an order sent to him that the Cotton seed has become damaged, and been further reduced by wastage to 6480 lbs., and that the Merchants and others on the spot, to whom it was offered for sale, have declined to purchase it, saying that it is of no use to them, I have the honor to request the instructions of Government, to be permitted to throw it away, as it is reported to be quite unfit either for sowing or as forage for cattle.

No. 25. ORDER THEREON, No. 70; dated 20th January 1857.

Resolved that the Collector of Tinnevely be instructed to put up in the first instance to outright auction the 6,480 lbs. of Cotton seed reported in the above letter to be damaged. Any of the seed not obtaining sale the Collector will be at liberty to throw it away as proposed by him.

(Signed) J. D. BOURDILLON,
Secretary to Government.
