Order no 122 15/29th Jan 1858

Fort Saint George, Revenue Consultation of 2d February 1858.

123.

No. 25. Extract from the Minutes of Consultation under date the 29th January 1858.

Tabular Statement shewing the lands proposed to be given to village officers in lieu of their means which have become unproductive or have been taken up for Public roads &c. in the Belary District for June 1857, dated 21st September, and submitted with the remarks of the Board of Revenue 21st December 1857, No. 4625.

The arrangement proposed by the Board in the first of these cases will, it appears, give to the Taliares affected by it emoluments amounting to Rupees 24 per annum, and not "per mensem" as stated by the Board. Supposing this to be a merely clerical error, the Government sanction the proposed arrangement,

In the second case, the Board have called for further information and therefore no orders are now requisite.

The adoption of the arrangement proposed in the third case, the effect of which will be to give to each of the Taliares of the Village in question, emoluments worth about Rupees 23 per annum, is sanctioned.

The Board will ascertain that the precautionary measures mentioned in para 4. of their Proceedings are duly taken before these exchanges are carried out.

(Signed) H. FORBES,
Acting Secretary to Government.
