Fort Saint George, Revenue Consultation of 2d February 1858.

No. 28. Read the following Extract from the Proceedings of the Board of Revenue; dated 7th December 1857, No. 4394.

**In Cons. 7th Dec. 1857.* Read letter from the Collector of Coimbatore, dated 3rd Nov. 1857.*
(Here enter No. 186.)

Resolved that the foregoing letter and its enclosure be submitted for the orders of the Right Honorable the Governor in Council, with the Board's recommendation that sanction be granted for the entertainment of a pensioned Sepoy for the 2nd class Travellers' Bungalow erected at the top of the Hassanoor Ghaut under the authority of Government, dated 17th January 1853, and for the payment to him of batta at the rate of 5 Rupees per mensem. The rate at the Bungalows in the plains is Rupees 2-12-8, but 5 Rupees is that actually paid on the Hills, and the Board concur with the Collector that a higher salary is necessary in such a locality.

2. The Board also recommend for sanction the Estimate of Rupees 84 for preparing furniture indispensably required for the Bungalow, leaving the question of providing it with crockery and such articles for future disposal.

3. The Collector will report which scale of such furniture will meet the requirements of Travellers halting at this building and whether a sweeper is employed or not.

No. 29. ORDER THEREON, No. 125; dated 30th January 1858.

1. In these Proceedings, the Board of Revenue submit a letter from the Collector of Coimbatore, recommending the entertainment of a pensioned sepoy for the travellers' Bungalow at the top of the Hassanoor Ghaut, on a salary of Rupees 5 per mensem, and the supply of furniture at a cost of Rupees 84.

2. As the bungalow is situated on the Ghaut leading to the Mysore Table land, the Government are of opinion that it must be considered in a light different from that of Bungalows situated on the Hills; they believe that Mysore must be the native climate of many pensioned sepoys, and that therefore no difficulty will be experienced in procuring a person of that class on the usual rate of pay. If however the Collector fails in obtaining the services of such a person for less than 5 Rupees, the Government will be prepared to reconsider the case, on an application being submitted in the prescribed form.

3. The Government sanction the estimate for providing the Bungalow in question with furniture, amounting to Rupees (84,) eighty four.

(Signed) H. FORBES,
Acting Secretary to Government.
