Fort Saint George, Revenue Consultation of 27th January 1857.

No. 3. Read the following letter from J. D. SIM, Esq., Acting Secretary to the Board of Revenue; to J. D. BOURDILLON, Esq., Secretary to Government Revenue Department, dated Fort Saint George 19th December 1856, No. 4331.

SIR,

With reference to paras. 1, 3 and 7 of the Extract Minutes Consultation, dated 11th April 1856, No. 373, I am directed by the Board of Revenue to submit for the information and orders of the Right Honorable the Governor in Council, the accompanying letters, and the enclosures of the second and third, from

the Collectors of Nellore, Masulipatam and Tinnevely dated 6th May, 9th June and 18th November 1856, furnishing explanation respecting certain items objected to by Government in the Statements of Actual charges incurred in their Districts in Fusly 1264.

2. With regard to the expenditure of Rupees 2,925-0-9 on account of Temporary Police Sibbendy in Nellore in Fuslies 1263 and 1264, it is observed that sanction was granted on the 24th December 1853, No. 770, Judicial Department, for the employment of 100 Peons at 5 Rupees each for six months, and that an additional sum of Rupees 18 per mensem was sanctioned

on the 9th January 1854, No. 21, for the same period, in order to raise the pay of 9 of these Peons, who were to be appointed Duffadars, to 7 Rupees each a month; thus making the total amount sanctioned Rupees 3,108. In

Extract Minutes Consultation dated 10th July 1854, No. 304, this Establishment was authorized to be retained until the end of October 1854, after which measures were directed to be adopted for gradually reducing the number. The reduction commenced in November, and the force was finally discontinued at the end of February 1855. Since that time no such Establishment has been entertained.

3. The Acting Collector of Masulipatam explains that the increase of Rupees 527-1-9 in the Huzzoor Saderward in Fusly 1264 over the sanctioned amount is chiefly in the items of Lamp oil and cloth for Dufters.

|               | Sanction. | Fusly 1264. | Difference. |
|---------------|-----------|-------------|-------------|
|               | Rs.       | Rs. A. P.   | Rs. A. P.   |

| Total...      | 168       | 683 10 6    | 515 10 6    |

The excess in the former item is thus accounted for.

|                                                                         |                 |

| Increase on account of high price, - - - - -                            | Rupees 290 9 ,, |

The remainder Rupees 291 is owing to the reversion to Government of six Estates since the original Saderward Estimate was sanctioned. The increase in the charge for Dufter cloth is due mainly to the same cause and the Special Assistant Collector's Cutcherry.

4. The increase of Rupees 283-8-0 in the talook Saderward is, the Acting Collector states, the expenditure on account of the Saderward of the Goodoor, Deevy, Pentapaud, Ralunghy, Kykaloor and Baharzally estates, which reverted to Government after the estimate of such charges was sanctioned. These allowances were approved by the Commissioner Northern Circars when the Establishments of each estate were sanctioned.

7. For the reasons assigned by the Acting Collector of Masulipatam in para. 4 of his letter, the Board recommend that the revised Estimate of Saderward charges of the Masulipatam District amounting to Rupees 1803-1-4, may receive the sanction of Government. This sum is exclusive of the charges marginally entered. The first three items, it is observed, do not come under the head of Saderward, and should be included in the monthly statement of contingent charges. The charge for the printing Press should be met either by a reduction to this extent in the District Establishment, or from the Funds received for work performed.

No. 4. ORDER THEREON, No. 80; dated 21st January 1857.

Under the explanation afforded in the correspondence now submitted by the Board of Revenue, the Right Honorable the Governor in Council sanctions the following items of expenditure amounting to Rupees (3,818-6-11) three thousand, eight hundred and eighteen, Annas six and Pice eleven, included in the Statements of actual charges for Fusly 1264, but disallowed by Government for reasons stated in paras. 1, 3, and 7 of Minutes Consultation dated 11th April 1856, No. 373.

2. In regard to the disbursement of fines in Tinnevely now sanctioned, the Government must observe that the system of carrying fines to the credit of Government immediately on collection, which seems to prevail in that District, is opposed to the Circular Order of the Foujdary Udalut dated 13th March 1849, No. 190 B. 3. The Board submit with their recommendation a revised estimate of Saderward received from the Masulipatam Collector; but the Government observe that the revision is confined to the Hoozoor and some of the talooks. The Board will therefore be good enough to desire Mr. Fraser to revise the Saderward Estimate of the whole District, with reference to the orders specified in the margin and submit it after the close of Fusly 1266.

Sir,

With reference to paras 1, 3 and 7 of the  
Extract Minutes Consultation, dated 11<sup>th</sup> April 1856,  
No 343, I am directed by the Board of Revenue to  
submit for the information and orders of the Right  
Honorable the Governor in Council, the accompanying  
letters, and the enclosures of the second and third, from  
the Collectors of Malabar, Madras, Patana and Tanjore,  
dated 6<sup>th</sup> May, 9<sup>th</sup> June and 18<sup>th</sup> November 1856, for  
giving explanation respecting certain items ob-  
jected to by Government in the Statements of  
Actual Charges incurred in their Districts in July  
1864.

2 With regard to the expenditure of Rupees 2925-0-9  
on account of Temporary Police Librady in Malabar in  
Jules 1863 and 1864, it is observed that sanction was  
granted on the 24<sup>th</sup> December 1853, No 770, Judicial Depart-

for six months, and that an additional sum of Rupees 18 per Mensem was sanctioned on the 9th January 1855, No. 21, for the same period, in order to raise the pay of 9 of these Peons, who were to be appointed Duffadars, to 7 Rupees each a month, thus making the total amount sanctioned Rupees 3108. In Extract Minutes Consultation dated 10th July 1855, No. 806, this Establishment was authorized to be retained until the end of October 1855, after which measures were directed to be adopted for gradually reducing the number. The reduction commenced in November, and the force was finally discontinued at the end of February 1856. Since that time no such Establishment has been entertained.

3. The Acting Collector of Masulipatam explains that the increase of Rupees 527-1-9 in the Hazoor Sadarward in July 1864 over the sanctioned amount is chiefly in the items of Lamp oil and Cloth for Outposts. The increase in the former item is thus accounted for:

The remainder Rupees 291 is owing to the provision to Government of six Estates since the original Sadarward Estimate was sanctioned. The increase in the charge for

In the reasons assigned by the acting Collector of Masulipatam in para 4, of his letter, the Board recommended that the proposed Estimate of Sadewarid charges of the Masulipatam District amounting to Rs 103. 1- 4, may receive the sanction of Government. This sum is exclusive of the charges marginally noted. The first three items, it is observed, do not come under the head of Sadewarid, and should be included in the monthly Statement of Contingent charges. The Charge for the printing Press should be met either by a reduction to this column in the District Establishment, or from the funds provided for work performed.

2- In regard to the  
disbursement of fines in  
Tumvelly, now  
sanctioned, the Govt.  
must observe that the  
system of carrying fines  
to the credit of Govt. im-  
mediately after they  
are collected, which  
seems to prevail in  
that District, is  
opposed to the principle  
contained

~~contained~~ the Circular  
Order of the Secretary  
Madras dated 13<sup>th</sup> March  
1869 No 190B. in which it is  
stated that fines should

them had expired.

3 The Board  
submit with their re-  
commendations a re-  
vised Estimate of saw-

the Manipatam Col-  
lector, but the Govt.  
observe that the revision  
is confined to the Ho-
