Port Saint George, Revenue Consultation of 20th January 1857.

No. 30. Read the following *Extract from the Proceedings of the Board of Revenue*; dated 13th December 1856, No. 4213.

In Cons. 13th December 1856. Read letter from the Acting Collector of Masulipatam, dated 19th August 1856, reporting that the Civil Auditor has objected to pass the Abstract of the Extra Revenue Establishment of his District for the month of July last.

(Here enter No. 102.)

Resolved that the letter above recorded with its enclosures be submitted for the information and orders of the Right Honorable the Governor in Council.

2. For the reasons assigned by the Acting Collector in the foregoing communication, the Board of Revenue recommend that the Civil Auditor may be authorized to pass the monthly abstracts of the Extra Establishments of the Masulipatam District, pending the sanction of Government to the estimate on that account for Fusly 1266, which has been received in this office and which will be shortly submitted with the Estimates from other Districts for their orders. Nearly the whole of these servants, though included with the Extra Establishments sanctioned from year to year, form a fixed charge on the revenues of the District, and under the orders of Government dated 31st March 1856, No. 347, para. 17, will be recommended to be brought on the permanent Establishment.

3. Under the explanation afforded by the Acting Collector in para. 3 of his letter under notice respecting the continued employment of Sunker Row, the Manager of the late Special Assistant Collector's Office, the Board recommend that he may be permitted to disburse to that individual a salary of 100 Rupees per mensem, so long as his services are required, or until the situation of Naib Sheristadar becomes vacant for him under the circumstances approved by Government in Extract Minutes Consultation under date the 12th July 1856, No. 713. The Acting Collector will be required to report the date on which Caza Ramanah's retention of office under those orders will expire.

4. The Board recommend that sanction be granted for the employment of 36 Hungany Peons at 4 Rupees each per mensem for the Poudra Salt Cotours. This charge has not been included in the Estimate for Fusly 1266, because it was expected that the revision of the Salt Establishment recently sanctioned by Government would come into force from the 1st July. The Collector will be requested to report for what period these servants are likely to be required. Any difference that may arise between the sums drawn by the Acting Collector on the monthly abstracts and the charges entered in the Estimate will be adjusted when the Estimate receives the sanction of Government.

(A true Extract.)

No. 31. ORDER THEREON, No. 73; dated 20th January 1857.

Under the circumstances stated, the Governor in Council authorizes the Civil Auditor to pass the monthly Abstracts of the Collector of Masulipatam for Extra Establishments, Revenue and Magisterial, pending the sanction of Government for the Estimates for Fusly 1266. Mr. Lushington will however hold the Acting Collector responsible for any excess that may hereafter appear to have been drawn over and above the sum eventually sanctioned by Government.

2. The Governor in Council is pleased to sanction the continued employment of Sunker Row, the manager of the late Special Assistant Collector's Office, on a salary of one hundred Rupees per mensem, until the situation of Naib Sheristadar shall become vacant by the retirement of the present incumbent on Pension. It is observed that in the order of Government of this day's date No. 72 the Collector of Masulipatam has been directed to recommend Caza Ramanah for Pension immediately, as he has completed the necessary service.

3. The Government cannot accord sanction for the employment of 36 Hungary Peons required for the Pondra Salt Pans until the period for which they are required shall be reported; but the Civil Auditor will pass the monthly Abstracts of the Collector containing this item, under the terms of the first para. of this order.

4. With reference to the absence of sanction to the Estimates of Extra Establishment at this late period of the Fusly, the Governor in Council resolves again to call the attention of the Board to para. 18 of the order of Government of 31st March 1856 No. 347. The Estimate for Masulipatam for Fusly 1856 which according to that order ought to have been sent in to Government before the commencement of the Fusly did not reach their Office till the 13th December or when four months and a half of the Fusly had expired.
