Financia (Department No. 312) Fort Saint George,
From, Account General's Office,
11 December, 1856.

The Accountant General

The Secretary to Government
in the Revenue Department

Under the orders of Government
* para 2 contained in Extract from Minutes
of Consultation dated the 16th September
last, No. 993. I have the honor to report for
the information of Government that in con-
-sequence of the pressing demand for bills
on the Collector of Cuddalore, I have adver-
-tised the sum of Two lacs of Rupees as
available for that purpose, in anticipation
of his collections in the present month, which
are estimated to amount to upwards of
Four lacs of Rupees. The Collector's Report
of the 30th ultimo not having been received,
and not being aware at what period of
the present month the bulk of the collections
will

will be received. I thought it advisable,
in passing the application for such Bills,
to make them "payable at twenty days
sight or earlier if convenient", and I made
a communication to that effect to the
Collector of Cuddapah.

I have the honor to be,

Sir,

Your most obedient servant,
W. R. S. S. S.
Accountant General

W. R. S. S. S.
