Read letter from the Collector of North Arcot explaining, in *Con. 20th January 1857*, with reference to the Board's Proceedings of the 5th May 1856, the reason why so small a portion of the Tannu Assessment of certain Enam lands at Arapakun was realized from 1830 to 1848.

(Here enter No. 251.)

Resolved that the foregoing letter supplying the information called for in para. 3 of Extract Minutes Consultation dated 18th April 1856, No. 383, be laid before the Right Honorable the Governor in Council.

2. The Collector states that the inferiority of the soil of the Enam lands was the main cause of so small a portion being cultivated while under the management of the officers of Government.
