Fort Saint George, Revenue Consultation of 13th January 1857.

No. 57. Read the following *Extract from the Proceedings of the Court of Wards; dated 5th January 1857, No. 49.*

In Con. 5th January 1857. Read letter from the Acting Collector of Masulipatam, under date 19th November 1856, reporting the death of the Zemindar of Outcoor, and requesting instructions with reference to the disposal of the Estate.

(Here enter No. 161.)

Resolved that the foregoing letter be submitted for the orders of the Right Honorable the Governor in Council.

2. The Collector reports that the son of the deceased Zemindar, an intelligent youth of 13, had been left by the will of his father to the guardianship of his step-mother, who is represented as "an educated woman, quite able and willing to have charge of the Minor to the Estate." He accordingly suggests that the Estate be left in the hands of this step-mother Lutchminursummah, and requests sanction for its registry in the name of the Minor.

3. To this course the Board see no objection. With regard however to the Collector's recommendation that this arrangement should be subject to the general supervision and control of the Court of Wards, they observe that while the Estate is under the care of the widow, the Court of Wards can exercise no control or direct interference in its affairs.

4. They therefore recommend that the Estate be entered in the Minor's name, and be entrusted to the management of the step-mother, and that the Collector be directed to satisfy himself from time to time that its affairs are conducted with due regard to the interests of the Minor, should the property hereafter be found to be in bad hands, or should any reason for interference occur, the Collector will bring the same to the notice of the Board who will then take into consideration the propriety of taking the Estate under their charge as Court of Wards.
