Order no 150 dt 3rd Feb 1858.

6th Feb 1858

No. 11. Read the following letter from H. NEWILL, Esq., Director of Revenue Settlement; to H. FORBES, Esq., Acting Secretary to Government, dated Cuddalore 22nd January 1858, No. 24.

Sir,

I have the honor to forward the accompanying copy of a letter from the Superintendent Revenue Survey, bringing to notice the insufficiency of the European Agency for the Superintendence of the Survey operations, in consequence of the withdrawal of Lieutenant Pratt of Her Majesty's 84th Regiment, from the Department and his own promotion to the general control of the Survey which will require his presence with the new party to be organized for the Rajahmundry District.

2. To meet this, Captain Priestley proposes that Lieutenant Hessey should be appointed a Deputy Superintendent of Survey and that the two gentlemen mentioned in the margin, who have been acquiring a knowledge of Surveying in his camp, should be appointed Assistants.

3. As it is now high time that out door work should be commenced for the season in the talooks of Trichinopoly, where station markers have been some time employed, and this cannot be satisfactorily undertaken without sufficient European Agency. I would earnestly recommend Captain Priestley's proposition to the favorable consideration of Government with the view to immediate orders being passed on the subject.

4. To enable the Government to comply with Captain Priestley's proposition to place Lieutenant Hessey on the footing of a Deputy Superintendent retrospectively from the date of his assuming the duties of that post on Captain Priestley's promotion, there is available the salary* of Rupees 575, relinquished by the latter officer from 18th August, the date of his obtaining the superior salary of Rupees 1,000, and under the circumstances I trust it will be considered proper to allow Lieutenant Hessey to draw, instead of his present pay of 275 Rupees, the increased rate of 575 from the above date.

5. To meet the appointments of the 2 Assistants now urgently required, there will be Lieutenant Hessey's salary of 275 Rupees a month with arrears for more than 5 months, from the date of his exchanging it, as proposed for the increased rate, and also $\frac{3}{4}$ of the pay and the whole of the tentage of Lieutenant Pratt, from 1st August or together Rupees 250 monthly, if I am correct in the construction of para. 70 of chapter 4 of Civil Auditor's Manual, modified by the orders† of Government, dated 12th May 1857; so that there are ample funds to provide for these Assistants on salaries such as may seem fit to be allotted within the limit of the proposed general scale, pending the sanction for the enlarged establishments, expected from the Government of India at an early date.

6. I would respectfully solicit the earliest orders on the subject as every week will now be a loss in the results of the season's operations.

From Captain J. B. PRIESTLEY, Superintendent Revenue Survey; to H. NEWILL, Esq., Director of Revenue Settlement, dated Cuddalore, 13th January 1858, No. 8.

Sir,

I have the honor to state, on the 31st July 1857, Lieutenant Pratt, 84th Foot Assistant Superintendent Revenue Survey, was removed temporarily from the performance of his civil duties, and that on the 18th August, I was gazetted to the general charge and Superintendence of the Revenue Survey of this Presidency, leaving Lieutenant Hessey 21st N. I., to perform alone the work till then divided among three persons.

This work he has ever since been performing with but slight aid from me without having obtained either increased rank or pay.

Fort Saint George, Revenue Consultation of 9th February 1858.

I beg therefore again to propose that Lieutenant Hessey be gazetted Deputy Superintendent Revenue Survey, from the date of my promotion viz., 18th August 1857.

The season for field work having commenced I beg to call attention to the fact that whereas two years ago the South Arcot Survey party, comprised three European officers, at present Lieutenant Hessey is the only one, no Assistants having been appointed to fill the vacancies caused by my promotion and the withdrawal of Lieutenant Pratt from the Survey.

In order therefore that Lieutenant Hessey may be enabled to take the field without further delay, I request that sanction be obtained for the appointment of Frederick Craig Puckle Esq., and Brooke Leggatt Esq., as Assistant Superintendents Revenue Survey.

Director of Revenue Settlement.

The Government must decline to make any appointment to the Survey Department pending the receipt of a reply from the Government of India to the application lately made for an Establishment.

(Signed) H. FORBES,
Acting Secretary to Government.
