Fort Saint George, Revenue Consultation of 9th February 1858.

No. 161.

No. 37. Extract from the Minutes of Consultation under date the 6th February 1858.

Tabular Report of lapsed Enams in the District of Vizagapatam dated 15th September, and submitted with the remarks of the Board of Revenue dated 19th December 1857, No. 4595.

1. The Government proceed to pass orders on the cases above reported.

Nos. 1 to 7.		2. The whole of these Enams were held
Extent ...	3 Feesums.	by one person, whose heirs are in possession
Shist ...	80	of other Meerassi land, and, with one excep-
Kuttoobady ...	8-12.	tion, are said to have been obtained by his
		father or by himself by purchase.

The whole of them were granted by the villagers, who had no power to alienate lands, and only in one case is any document produced in support of the alleged purchase, which bears date 1847.

The Board recommend the resumption of the whole of these Enams which were illegally created, and the Government sanction the measure.

No. 8.		3. Although this was a grant made by villagers, yet
Extent ...	3 1/2 Feesums.	in consideration of the great length of time it has been in the
Shist ...	56 Rupees.	undisturbed possession of the ancestors of deceased, the Col-
Kuttoobady ...	7	lector and Board concur in recommending its continuance, but
		the Board would restrict the grant to the life of deceased's
		son, and make it subject to the payment of the quit rent as-
		essed on it, and the Government sanction their proposed arrangement.

Nos. 9 and 10.		4. These grants were made by the villagers, and the

Shist ...	53 Rupees.	The Collector and Board concur in recommending their re-
Kuttoobady ...	13	suspension, which the Government authorize.

No. 11.		5. The circumstances of this Enam being the same as
Extent ...	3 Feesums.	those of No. 8, the Collector and Board recommend its
Shist ...	3 1/2 Rupees.	continuance for the life of the son of the late holder,
Kuttoobady ...	1 do.	which the Government permit.

6. It is observed that with the exception of a portion of No. 10, the whole of these Enams, from 1 to 11, were in the enjoyment of one individual.

No. 12.		7. This grant was made prior to the permanent settle-
Extent ...	2 Feesums.	ment, but has long since passed out of the family of the
Shist ...	20 Rupees.	original grantee, and one half of it was purchased by deceased.

The Government authorize the resumption of this share, which is recommended by both the Collector and the Board.

No. 13.		8. This Enam passed by sale from the
Extent ...	3 1/2 Feesums.	family of the original grantee 30 years ago,
Shist ...	80 Rupees.	to the deceased.

The Collector recommends its continuance, and the Board its resumption, the grant being, they say, "similar to No. 1." This however does not appear to be the case. No. 1 was granted by villagers who were not competent to make any such alienations, the present grant is said to have been made "prior to 1802 by the then authorities," which it is presumed means authorities competent to make such a grant, whatever its worth. The circumstance may possibly not be of much importance, as the Enam has passed from the descendants of the original grantee, but in consideration of its long enjoyment by the deceased, whose numerous family appear to be left with no other means of support, the Government will so far accede to the Collector's recommendation as to authorize its continuance during the life time of Chinnna Camaswan, the son of the late holder.

Port Saint George, Revenue Consultation of 9th February 1858.

 The Board recommend that the former should be continued for the life time of the son of the late holder, and that the latter, which is not entered in the accounts of the permanent settlement, should be resumed. The Government approve these recommendations.

 The family of the late holder is in possession of 91 *Veasums* of Meerassy land, and the Board recommend the resumption of this enam, on the ground of there being no evidence adduced in support of the alleged division of property under which it fell to deceased's father, and that the family have other lands.

11. The late holder is said to have been a cousin of the original grantee, and the enam appearing to have been long enjoyed by the family, the Government authorize its continuance for the life time of the son Nagaram.

(Signed) H. FORBES,
 Acting Secretary to Government.

21. Ordered to be continued as a life grant to the widow, as recommended by the Board.

22. The enquiry into this case is still unfinished.

23. Ordered to be continued to the widow for life, as recommended by the Board of Revenue.

24. Ordered to be resumed as recommended by the Collector and Board of Revenue, the late holder having bought it for Rupees 30 so recently as 12 years ago. It will now be brought under assessment. It is observed that this grant was "subsequent to the permanent settlement account."

25. Ordered to be resumed as recommended by the Board of Revenue, having been a comparatively recent grant by a former Zemindar, and the family of deceased being in possession of other enams in the Vizianagram and Bobilly Zemindaries.

26. Ordered to be resumed as recommended by the Board of Revenue. The grant was a recent one by a former Zemindar, and deceased, whose family have Meerasi land of 17 1/2 Candies, obtained it on mortgage.

27. Ordered to be resumed and brought under assessment as recommended. Its hitherto exemption appears to have been never authorized by any authority, and the family of the holder appear to be hereditary Heads of the village.
