Order no 1325/30th Jan 1858

E. J. M.

Fort Saint George, Revenue Consultation of 2d February 1858.

No. 132.

No. 43. Extract from the Minutes of Consultation under date the 30th January 1858.

Tabular Report of a lapsed enam in the District of Coimbatore dated 23th September, and submitted with the remarks of the Board of Revenue dated 23d December 1857, No. 4653.

1. This pension of Rupees 42-14-11 per annum is said to have been granted in lieu of a resumed Poliput, and to have been paid since 1800, though the exact authority for its payment was not forthcoming, when in 1827, the then Principal Collector proposed and the Government sanctioned its continuance to the Pensioner who died in June last, leaving two widows, and two sons of whom the eldest is 10 years old.

2. The Collector now recommends its reduction to Rupees 36 per annum, and that it shall be continued at the reduced rate to the family who have no other means of subsistence.

3. The Board of Revenue consider its reduction unnecessary, and propose that it shall be continued at its present amount for the lives of the widows, and lapse entirely on the death of the latest survivor of them.

4. The Government observe from the papers connected with this case, that the allowance drawn by the deceased was the subsistence allowance paid to him as a member of the family of the Mungalum

Poligar, one of those engaged in the Poligar rebellion in 1800, which allowance was continued to the family after their release from confinement, and is essentially a compassionate allowance for the continuance of which no claim whatever can be asserted, save that of poverty.

E.c. Mins. Cons. 10th September 1852.

** Rupees 85-13-11 per annum.*

In 1852, it was ordered that the share* of the family allowance till then drawn by the mother of the person whose decease is now reported, should be discontinued from 23d May of that year, the

day of her death, as it appeared that her son was in receipt of the separate allowance now under consideration.

6. The income of the family from this source which it seems is their sole means of subsistence, has thus been very considerably reduced within the last few years, and considering the trifling amount of the annual allowance drawn by the deceased, the Government agree with the Board of Revenue, that it is not necessary to reduce it, and authorize its continuance for the life time of the widows, on decease of the last of whom it will lapse entirely.

7. The Collector may with advantage use his influence to cause the sons of the deceased to be sent to the talook school, and thus improve their prospects of earning an honest livelihood hereafter when this allowance shall cease.

(Signed) J. L. FORBES,
Acting Secretary to Government.
