Order no 173 of 9th Feb 1858

Fort Saint George, Revenue Consultation of 9th February 1858.

No. 55. Read the following Extract from the Proceedings of the Board of Revenue; dated 18th January 1858, No. 236.

Read letter from the Collector of Chingleput
* In Consultation 18th January 1858, dated 5th December 1857.*
(Here enter No. 361.)

Resolved that the above letter be forwarded to Government in continuation of the Boards proceedings dated 1st December 1857, No. 4291.

2. The Collector states the work printed for his office during 1856-57 was much less than might have been executed with advantage, and he assigns want of funds as one reason for not availing himself more freely of the press.

3. The Board remark that if a press is established in the Collector's office he will have to meet its charges by reductions in his establishment. There is no reason why arrangements of this kind should not be made in anticipation of the supply of a press and the savings expended in paying for printing executed elsewhere. The Collector will adopt this course at once as the Hoozoor Saderward allowance can scarcely meet the expenses of printing on a scale commensurate with the requirements of the Collectorate.

4. The Board will address Government separately hereafter on the supply of a press for Chingleput.

(A true Extract.)

(Signed) J. D. SIM, Acting Secretary.

No. 56. ORDER THEREON, No. 173; dated 9th February 1858.

Ordered that the foregoing Extract be recorded.

(Signed) H. FORBES,
Acting Secretary to Government.

N^o 236

Extract from the Proceedings of the Board of
Revenue, dated 21st January 1858.

That letter from the Collector
No. 10th January 1857 of Charge dated 25th December 1857.

(No. 10th January 1857)

Resolved that the above letter
be forwarded to Government as continuation
of the Board's proceedings dated 1st December
1857 & No. 291.

The Collector states that
work made for his office during 1857
was much less than might have been
expected with advantage, and he assigns
want of funds as one reason for not
employing himself more fully of the Board.

The Board remarks that if a
House is established in the Collector's office
he will have to meet its charges by reduction
in his Establishment. There is no reason
why arrangements of this kind should not
be

the making an appropriation of the surplus of
a Pass and the savings expended in paying
for Public Accounts & Expenses. The Collector
will adopt this course at once as the Oregon
Landward Allowance can scarcely meet the
expenses of Public and other commissions
with the requirements of the Collector's
Office. The Pass will likewise furnish
a separate receipt for the supply
of a Pass for Charge.
