Fort Saint George, Revenue Consultation of 9th February 1858.

No. 7. Read the following letter from J. D. SIM, Esq., Acting Secretary to the Board of Revenue ; to H. FORBES, Esq., Acting Secretary to Government, Revenue Department, dated Fort Saint George 18th January 1858, No. 230.

SIR,

I am directed by the Board of Revenue to request that you will submit, for the consideration and orders of the Right Honorable the Governor in Council, the correspondence noted in the margin, regarding the purchase of 7 Cawnies of land at Coonoor for new burial grounds for the use of the Hindoos and Mahomedans of that place.

From Collector, 2nd September in Consultation 6th October 1856.
Proceedings to Collector 6th October in Consultation (within.)
From Collector 21st November in Consultation 19th December 1856.
Proceedings to Collector 19th December in Consultation (within.)
From Collector 22nd January in Consultation 25th March 1857.
Proceedings to Collector 25th March 1857.
From Collector 16th August in Consultation 25th September 1857.
Proceedings to Collector 25th September 1857.
From Collector 10th in Consultation 25th September 1857.
Proceedings to Collector 25th September 1857 (within.)
From Collector 15th December 1857 in Consultation 18th January 1858.

2. The Collector represents that the present burial grounds are crowded and quite inadequate for such purposes, owing to the rapidly increasing population at and near Coonoor, and that from their proximity to the bazaars the smoke of the burning corpses enters the houses of the inhabitants, which are only 50 yards distant. The present population, Mahomedan and Hindoo, consists of 2,035 souls.

3. The site selected for the burial grounds is in a valley at some distance from the houses. It is proposed to allot 3 Cawnies of the land for the Mahomedan and 4 for the Hindoo community. Mr. Thomas considers that this extent will not be found too much in a few years, and explains that it would be well to secure it, because lands being rapidly purchased and there is little suitable for the purpose required.

4. The land the Collector states has been in the occupation of the Burghers for many years, and is not far from a mound of the Todas. It is not now under cultivation but its assessment when ploughed is about Rupees 4-4-3, during the last five years the Burghers have only paid a grass tax of Rupees 5-5-5 ; but the land is valued by them for its eligible site and nearness to water. The Collector is therefore of opinion that both the Burghers and Todas are fairly entitled to compensation for the land which they are willing to sell.

5. The price at first asked for the land in question was Rupees 70 per Cawnie, but Mr. Thomas states in his letter of the 10th October 1857 that as it is required for public purposes and is likely to be encroached on from Coonoor and Jackatallah, the Burghers are willing to give it up to Government for Rupees 350, which is Rupees 50 per Cawnie.

6. The price asked even at the reduced amount is large, but Mr. Thomas shows that land at Ootacamund is sometimes sold at much higher rates. Under the explanation afforded, and advertent to the fact that the 7 Cawnies in question are actually in occupation, the Board recommend that sanction be granted for the purchase of the land and for the disbursement of Rupees 350 to the owners of it.

No. 8. ORDER THEREON, No. 148 ; dated 3d February 1858.

Under the circumstances represented in the Board's letter above recorded, the Right Honorable the Governor in Council sanctions the purchase of seven cawnies of land at Coonoor at an outlay not exceeding Rupees (350) three hundred and fifty, for the purpose of allotting it as a burial and burning ground for the Mahomedans 3 cawnies, the purpose of allotting it as a burial and burning ground for the Hindoos..... 4 do. Mahomedans and Hindoos of that place in the proportions noted in the margin.

(Signed) H. FORBES,
Acting Secretary to Government.

The Board regret that they are obliged to make a further reference to the Collector, but they fear the information given in Para 2. of the above letter will not be considered sufficiently precise by the Government.

2 The Collector is requested to state how long the land in question has been held by the Burghers, what is its regular assessment, and how much the Burghers have paid during the last five years.

N^o 3244.

Extract from the Proceedings of the
Board of Revenue, dated 29th September
1857.

Read letter from the
Collector of Coimbatore dated 12th August
1857.

/ Here enter N^o 129 /

The Board presume that
the rate of assessment mentioned by the
Collector is for the whole and not on the
whole extent. On this supposition the
price proposed by the Collector is about
70 years purchase of the assessment
paid during the last 5 years.

2. The Board cannot but
think this an exceedingly high price
for land used merely as pasture
and on which they imagine little
if any outlay of Capital has been
expended for improvements.

3.

By the rules of the District
a ryot is entitled to hold $\frac{1}{4}$ of his
Puttah land on grass-tax, and the
Board wish to know whether the
Burgher occupant of this land holds
28 Cawnies besides on full assessment.

4.

The Board also request the
Collector's opinion as to the propriety
of taking the land under Act XX of
1852 and having the Burgher's interests
in it valued by arbitrators.
