Sir

I have the honr to acknowledge the receipt of an order of Government No 195 dated 28th January 1861 and in reply to the first Clause of Para 1, beg to state the harmonious of the List of my Establishment to the Secretary of the Revenue Board instead of to the Secretary of Government, was owing to a mistake on the part of my writer, who addressed it wrongly, which escaped my notice at the time, and in explanation of the latter Clause of the same Para for not forwarding it earlier, I must acknowledge it to have been caused by inadvertency on my own part

for

for which I can only plead as an excuse the great demands there was just then upon my time, and attention, in training Several Members of the Department, who were new hands, and preparing for the March of the Party for the Wynaad.

I sincerely trust the above explanation will be favorably Considered, when it is remembered the great trouble I had with the Party at that time, owing to the dislike nearly all had of leaving the plains for a jungly and Hilly Country, so great was the dislike that nearly all of the members of the Party would willingly have vacated their Appointments than to have proceeded to the Wynaad.

I have the honor to be
