SIR,

I have the honor to acknowledge the receipt of your letter of the 1st July 1858, No. 905 calling on me to state what progress has been made under the Minutes of Consultation of the 19th March 1858, No. 359, and, in reply, beg to state, that the villages in the Rajahmundry District have been measured, and that I am now engaged in the measurement of the four villages under the Godavery in the Masulipatam District.

If the weather permits I hope that the measurements in the Godavery Delta will be concluded by the beginning of next month, when I will send in a full Report at once of the result of my enquiries so far. But if there should be any delay in consequence of the weather and the whole of the villages are not measured by them; or the Government should wish to have a Report on so much as may have been done already, I will lose no time in reporting accordingly, on hearing to that effect.
