EXTRACT from the Proceedings of the Government of India, in the Financial Department, d. 31st October, 1860.

READ the following:—

PROCEEDINGS OF THE MADRAS GOVERNMENT, REVENUE DEPARTMENT.

Read the following letter from W. BALMAIN, ESQ., Officiating Civil Auditor, to J. D. BOURDILLON, ESQ., Secretary to Government, Revenue Department, d., Madras, 6th September, 1860, No. 986.

SIR,

THE total amount sanctioned by the Government of India, in anticipation of the approval of the Home Government, for the four Survey parties to be employed in Madras Presidency was Rupees 2,19,360 per annum. By the orders of the Madras Government, December 28th, 1859, and 4th February, 1860, the establishments and expenses were increased so that the total annual charge now amounts to Rupees 3,62,304. I have the honor to enquire whether the increase was reported to the Government of India or the Home Government; I am unable to find in my office records any letter sanctioning the increase.

ORDER THEREON, 5TH OCTOBER, 1860, No. 1797.

1. THE Civil Auditor will be informed in reply to this letter that the sanction of the Government of India to the Survey Establishments, authorized by this Nos. 1779 and 179. Government in their orders, dated 28th December, 1859, and 4th February, 1860, was not applied for, because the increase was in the course already sanctioned and tended to a saving on the whole. The Board of Revenue have now recommended further changes in the establishments; and as soon as orders shall have been passed on this recommendation, application will be made to the Government of India for sanction for the whole.

2. Meanwhile the Civil Auditor will be requested to pass the abstracts, under paragraph 3 of the resolution of the Government of India, in the Financial Department, dated 23rd April, 1860, No. 3582; as great inconvenience to the public service would be occasioned by stopping the pay of the establishments.

To the Civil Auditor, Board of Revenue, Director of Revenue Settlement, and the Superintendent of Revenue Survey.
