Fort Saint George, Revenue Consultation of 10th November 1857.

No. 13. Read the following Petitions.

From INGOOVA VENCATALUTCHMAMAH, Enamdar of Parlapully of Sydapoor talook in the Zillah of Nellore; to EDWARD MALTBY, Esq., Acting Chief Secretary to Government; dated Madras, 17th August 1857.

SIR,

I beg leave respectfully to state that on the 22d Ultimo, I forwarded a Memorial through Government for transmission to the Honorable the Court of Directors, but to my utter astonishment I have heard that instead of complying with my request the Memorial was referred to the Board of Revenue for investigation. This course I consider unjust against all British equity and justice, as the Government in Extract Minutes of Consultation of the 27th September 1851 decided the case in my favor and subsequently confirmed by the Honorable Court consequently I must enter my solemn protest against such proceeding. I beg now respectfully to forward a Memorial in triplicate to the Honorable the Court of Directors and to solicit that it may be forwarded to them as early as practicable.

No. 14. From INGOOVA VENCATALUTCHMAMAH, Enamdar of Parlapully of Sydapoor talook in Nellore; to EDWARD MALTBY, Esq., Acting Chief Secretary to Government; dated Madras 17th October 1857.

SIR,

I beg leave respectfully to submit for the favorable consideration of the Right Honorable the Governor in Council that on the 1st July last I forwarded a Memorial to Government for transmission to the Honorable the Court of Directors, appealing against the Memorial of my opponent Collooroo Vencatanaraniah. On the 14th Idem the Memorial was returned to me by informing me that Memorials for the Honorable Court must be submitted in triplicate, accordingly I have on the 22d of the above month sent in my Memorial in triplicate, and on the 28th August last I was informed by an endorsement No. 1614, that my Petition was forwarded to the Board of Revenue for report.

Previous to the receipt of the above endorsement, and having heard that my Memorial was sent to the Board of Revenue, I deemed it expedient to Memorialize the Honorable Court again through Government, and my Memorial dated 15th August last was forwarded in triplicate with a request that it may be transmitted to them as early as practicable.

I beg to observe that it will be obvious to His Lordship in Council that 85 days have elapsed since my first Memorial was transmitted to Government, and 60 days of the second, and I have not heard further whether they were dispatched to the Honorable Court or not, and on this point I entreat to be informed.

It seems strange to me to find that the Memorials of an unprotected widow are allowed to be kept back whilst the Memorial of her opponents was transmitted without any obstacle being thrown in the way, however I respectfully and humbly entreat that the Right Honorable the Governor in Council will deign to see justice done towards me by having my Memorial transmitted to the Honorable Court without further delay, if they had not been already sent.

No. 15. ORDER THEREON, No. 1123; dated 4th November 1857.

In her earlier Memorial of the 22d July 1857, Ingoova Vencatalutchmamah appealed to the Honorable the Court of Directors against passing any decision in favor of Ramasamiah, the adopted son of the late Enamdar of Parlapully; but in doing so, she made statements in regard to the

adoption, so much at variance with the facts brought to notice by the Board of Revenue in their letter of the 16th June 1857, No. 249, that the Government in accordance with the practice usual in such cases, forwarded Vencatalutchmamah's Memorial to the Board for investigation and report. Arriving at a knowledge of this, Vencatalutchmamah submitted a further Memorial, complaining of the step the Government had taken and the delay it caused. It was obvious that this address could not be forwarded to the Honorable Court unaccompanied by the previous Memorial or the Board's report; and as the latter had not been received, the later Memorial was left to lie over until receipt of the communication required from the Board. The Board will now be requested to expedite the submission of the report called for, and Ingoova Vencatalutchmamah will be informed that on the receipt of the report, no time will be lost in disposing of her case.

Acting Secretary to Government.

Honored Sir,

35. 1123

I beg leave most respectfully
to inform your Honor that on the
22^d of June, I sent to Govt a Memorial
to be forwarded to the Honorable
Court of Directors but I have heard
that the Govt has referred it to the
Board of Revenue for investigation
Contrary to established practice
as my case was fully investigated
in 1851 & the Govt decided in my
favor in Extract No. 1 of

Consultation dated 27th September
1857 and subsequently confirmed
by the Honorable Court of Directors
It will be surprising to your
Honor to find that the Memorial is

at variance with the facts brought to notice by the Board of Revenue in their

of my opponent Venkata as an applicant
was forwarded to them but mine
only detained. It is evident from
this circumstance that he has set
to work since powerful friends
in order to retard my memorial being
sent after his, expecting perhaps that
by such detention, the Honorable
Court would in his impetuous state
- ment decide the case in his
favor.

Having heard of your Honor's
gentle disposition to protect
the widows and Orphans and as
I am an unprotected widow,
I most respectfully solicit
that your Honor will be graciously

pleased to intercede for me
I have my memorial ^{A. 1123} which
I have this day & on the 22nd of the month
forwarded to Govt to be trans-
mitted to the Honorable Court as
early as practicable. For which
Act of Philanthropy and indulgence
I shall ever feel grateful to
your Honor.

I remain with profound respect

The Honorable the Court
of Directors of the
East India Company
London.

The Memorial of Ingooa
Venkata lathamamah, the
Enamdar of Paralapully of
Sydapoor Talook in the
jillah of Nellore.

Sheweth,

1. That your Memorialist begs leave to
submit the following circumstances for your
Honorable Court's favorable consideration.
2. That your Memorialist having heard
that her opponent Callooro Venkata naranasah,
father of Ramaswamy, the alleged adopted son
of her late husband Ingooa Ramachendrian
had after the lapse of six years, appealed to your
Honorable Court to have the Enam Lands of
her late husband, and now in her enjoyment
registered in the name of his, the said alleged
adopted son Ramaswamy. In order to satisfy
herself of the truth of this report, your Memo-
rialist addressed the Madras Government,

deleting the information. The following
document was sent to her dated 15th May

57. Petitioner is informed that the Memorial
which she alludes has been transmitted to
the Honorable Court of Directors

By Order
Signed/ M. Norman
Lt Secy to Govt

3. That on the 1st July last, your Memorialist
submitted to the Madras Government a
Memorial to your Honorable Court praying
that it may be transmitted to you. On the 14th
October the Memorial was returned to her by
informing her that Memorials intended for
transmission to your Honorable Court must be
submitted in triplicate. Accordingly your
Memorialist on the 22nd of the above month
had forwarded the Memorial in triplicate.

4. That your Memorialist to her astonish-
ment has heard that the Government instead
of transmitting the Memorial to your Honorable
Court, as solicited, forwarded it to the Board
of Revenue for investigation, under the
plea that the statements set forth in it do
not accord with the facts stated by the Board.
Such proceeding on the part of Government
your Memorialist considers as totally

7- 1123
unjust and not according to British justice
or equity. Your Memorialist's claim was
thoroughly investigated in 1850 by the then
Collector of Nellore, and in his letter of the
26th of June of that year strongly recommended
her claim for favorable consideration without
touching that of the alleged adopted Son,
but the Board of Revenue having received
a Petition from Venkatanarayanappa, setting
forth the title of his Son Ramaswamy, the
alleged adopted Son of the late Ingorra
Ramachendrab, to the Enam Village of
Paralapully, referred it to the Collector to
report on the merits of the case.

5. That on the 28th April 1856, the Collector
of Nellore minutely entered into a detail of
the circumstances of the case, and pointed
out the invalidity of the ^{alleged} adoption by the
opinions of the Law Officers of the Sudder
Court of Madras and that of Bengal, and
it appears that the Board notwithstanding
differed in opinion with the Collector on the
point, and recommended to Government
that sanction may be accorded for registering
the Enam in the name of the alleged
adopted Son, but the Madras Government

after reviewing the merits of the case
before them passed the following orders
in your Memorialist's favor.

1851. Revenue Department

Extract from the Minutes of Consultation
under date the 27 September 1851.

Read the following letter from the
Secretary to the Board of Revenue.

[Here enter 26 August 1851 M. 365]

Para 1. The Right Honorable the Governor
in Council has attentively considered the above
letter from the Board of Revenue relative
to the succession to the Paralapully Enam
Village in the Kellore District together
with their previous communications of 16
June 1851, upon the same subject, and on
full review of all the circumstances of
the case, he directs that the Village with
the surplus proceeds in deposit be made
over to Venkata Subrahmanya Widdow of the
late holder Ramachendriah.

The Governor in Council is not
prepared to allow any deviation from the
rule respecting adoption contained in the
notification of the 16 March 1846 which he
decreed was introduced on the suggestion
of the Honorable the Court of Directors, and
cannot be set aside or modified without

their sanction.

b. That your Memorialist has heard that
your Honble Court has approved and confirmed
the above decision of this Government, by remark-
ing that there were circumstances attending
the adoption, which rendered its validity very
doubtful, and the refusal to sanction any de-
viation from the rule prescribing adoption was
in this instance very proper.

7. That it will be needless for your Memorialist
to trouble your Honble Court again with
details of the nature of the alleged adoption, as
his Memorial to your Honble Court dated 22
July last, and which it is hoped will be duly
considered by Government, sets forth arguments refuting
the alleged adoption, which your Memorialist
denies owing to Ramasawmy being of another
Gotthum/tribe, but merely begs to bring to your
Honble Court's notice that about August or
September 1846 Callooreo Venkatanaranappa
petitioned the Government complaining that
the Paralapully Enam Estate in Kellore has
been continued to your Memorialist, when it
should have been made over to his Son who
was adopted by the late Ramachendriah, and

That if your Memorialist had desired
the existence of an adoption, she had done
so on very strong grounds. 1st That she was
cognizant to the adoption. 2nd That
Pamasaony being the Son of your Memorialist

Collector.

10. That your Memorialist from the circum-
stances above set forth, considers that the

1123

measures adopted by Government as unjust
and arbitrary, your Memorialist consequently
begs respectfully to enter her solemn protest
against such proceedings, but she has one
only hope, and that hope is concentrated
in the justice of your Honorable Court. She
is conscious that your Honorable Court will
not abandon an unprotected Widow to be
deprived of her just rights, by the avarice
of a mercenary opponent. If he had a right,
perhaps the Govt. might be now after the lapse
of 6 years, why did not Venkatanarayan
appeal to your Honorable Court immediately
the Government of Madras decided the
case in September 1851, and why did he
wait for nearly 6 years, and now appeal to
your Honorable Court. These points your Memorialist
begs to lay for your serious consideration,
and in conclusion your Memorialist craves
that your Honorable Court will, with that equity
and justice which ever characterizes the British
Government, be pleased to direct the Government
of Madras not to deprive her of her just rights
by the false claims put forward by Venkata-
narayan in behalf of his son Ramaswamy,
as your Honorable Court had in confirming
the

10- 1123
the decision of this Government stated that there
were circumstances attending the adoption
very doubtful, and the refusal to sanction
any relaxation from the rule prescribing
6 months notice of adoption was in this
instance very proper.

And your Memorialist as in duty
bounds.

Shall Ever Pray.

Sir,

I beg leave respectfully to
submit for the favorable consideration
of the Right Honorable the Governor
in Council that on the 1st July last
I forwarded a Memorial to Govern-
ment for transmission to the Honorable
the Court of Directors, appealing
against the Memorial of my
opponent Collooso Venkatanarainah
On the 11th I dem the Memorial
was returned to me by informing
me that Memorials for the Honorable
Court must be submitted in triple-
cate, accordingly I have on the
22nd of the above month sent in my
Memorial in triplicate and on
the

the 28th August last. I was informed
by an endorsement No. 1514. that my
Petition was forwarded to the Board
of Revenue for report.

Previous to the receipt of the
above endorsement, and having heard
that my Memorial was sent to
the Board of Revenue I deemed
it expedient to Memorialize the
Honorable Court again through Govt.
and my Memorial dated 15th Augt
last was forwarded in triplicate
with a request that it may be
transmitted to them as early as
practicable.

I beg to observe that it
will be obvious to His Lordship as
Councillor that 85 days have elapsed
since my first Memorial was trans-
mitted to Government and 60 days
of

14th 1123
of the second, and I have not heard
further whether they were despatch-
ed to the Honorable Court or not,
and on this point I entreat to be
informed.

It seems strange to me to find
that the Memorials of an unprotected
Widow are allowed to be kept back
whilst the Memorial of her opponent
was transmitted without any obstacle
being thrown in the way. Hence

I respectfully and humbly entreat
that the Right Honorable the Governor
in Council
will deign to see justice done towards
me by having my Memorials trans-
mitted to the Honorable Court with-
out further delay, if they had not been
already sent.
