Read letter from the Collector of Cuddapah, dated 27th June 1857,* enclosing a Tabular Report on a lapsed Poligar Pension.

**In Cons. 22d October 1857.*

(Here enter No. 73.)

Resolved that the above letter with its enclosure be submitted for the orders of Government.

2. In the early part of the present century, the Jaghire held by Tulssool Mohabut Khan in the talook of Poollevendellah was resumed and a monthly pension of Rupees 175 was granted (in equal portions) to the Jaghiredar and his brother Hakeem Meah on the understanding that it would be continued only to their lineal descendants during good behaviour. The Jaghiredar dying without heirs, his portion of the allowance Rupees 87½ has reverted to Government. His brother Hakeem Meah was in receipt of his share till October 1825, when he died, and it was continued to his only son Abdul Mohabut Kahn, who being a minor was then under the guardianship of his step mother, Kathu Beebee, the Nicca wife of Hakeem Meah.

Nos. 17 and 18 in Mr. Ross' Register X. dated 21st February 1814.

To Government, 13th March 1815.

To Government 26th April 1830.
From do. 14th May „

3. Abdul Mohabut Kahn, on attaining his majority, declined to maintain his stepmother any longer, and as she was fully entitled to support from his allowance, Government sanctioned the payment to Ler of of Rupees 14 per mensem out of it during her life, leaving the remaining sum of Rupees 73-8 to be enjoyed by him. Abdul Mohabut Khan died without heirs in 1845, and his reduced allowance was continued, in equal shares, to the only two grandsons of Kathu Beebee in the female line then in existence. Kathu Beebee died in December 1855, when the number of grandsons had increased to 8, 7 the children of her eldest daughter, and 1 the son of her second daughter. Her pension of Rupees 14 per mensem is claimed by her second daughter's son who is one of the two persons above mentioned as in receipt of Rupees 36-12, and by her eldest daughter's 4th son, to whom she has bequeathed the whole of her property and her pension by will.

From Collr. 11th in Cons. 30th May 1839.
To Government 6th June. „
From do. 25th do. No. 811.

From Collr. 31st Jan. 1846, para. 6.
To Government 12th March, para. 6.
From do. 3d April, para. 1, No. 392.

4. The Collector refrains from expressing an opinion on the relative merits of their claim and suggests a reference to the Cauzee-ool-Coozat of the Sudder Udalut, as to who is entitled to succeed to the lapsed allowance according to the Mahomedan Law of inheritance.

5. The Board do not think it necessary to adopt the course suggested by the Collector. The pension should in their opinion be re-attached to the original allowance from which it was temporarily separated for a special purpose which has now been fulfilled. They therefore propose that a moiety of the lapsed portion be continued to the two present recipients of the rest of the original grant.

No. 28. ORDER THEREON, No. 1130; dated 5th November 1857.

Para. 1. In these proceedings, the Board of Revenue report on the circumstances relating to a pension of Rupees 175 per mensem granted by this Government in the early part of the present century, on the resumption of the Jaghire of Tuissool Mohabut Khan, in the talook of Poollevendellah in Cuddapah. This pension was granted in equal portions to the Jaghiredar and his brother Hakeem Meah, on the understanding that it would be continued during good behaviour to their lineal descendants.

and his brother Hakeem Meah

2. On the death of the Jaghiredar, his share lapsed to Government in default of heirs. Hakeem Meah died in 1825, and his share of the pension, or Rupees 87-8, descended to his son Abdul Mohabut Khan, who, being then a Minor, was under the care of his stepmother Khatoo Beebee. On the young man attaining his majority, he refused to maintain his stepmother any longer, when the Government interposed, and ordered a payment of Rupees 14 to be allotted from his pension for her support. Abdul Mohabut Khan died in 1845, without heirs, and his reduced allowance of 73-8 was divided between the two grandsons* of Khatoo Beebee in the female line, then in existence.

* *Abdul Mahazeed Khan.*
Abdul Summut Khan.

3. Khatoo Beebee died in December 1855, by which time the number of her grandsons had increased to eight, and it is with respect to her allowance of 14 Rupees that the present reference has arisen. Two of the grandsons have laid claim to this allowance, viz. the second daughter's son, who is already in the receipt of a moiety of the larger portion of the original allowance; and, the first daughter's son. The Board of Revenue, however, advise that Khatoo Beebee's allowance should be re-attached to the pension from which it was formerly separated, and made over to the recipients of the grant. The Government approve of this course, and direct that it be carried into effect accordingly.

Acting Secretary to Government.
