Proceedings of the Madras Government, Revenue Department, 17th January 1861.

No. 242. Read the following Proceedings of the Board of Revenue, dated 24th December 1860, No. 6,032 :—

Read the following letter from J. SILVER, Esq., Collector of Tinnevelly, to W. HUDLESTON, Esq., Acting Secretary to the Board of Revenue, Fort Saint George, dated Trichendoor, 12th December 1860, No. 498.

SIR,

1. I have the honor to acknowledge Proceedings of the Board No. 5,597, dated 30th November, regarding the re-distribution of the Táluqs of this District, between myself and my subordinates.

2. As Strívilliputtúr is to be the head quarters of the Sub-Collector, I request permission to offer to Mr. Tod the choice of purchasing the public Bungalow and out-houses belonging to it, there, at the price of Rupees 3,000, being the valuation placed on the same by the District Engineer, and should Mr. Tod be disinclined to purchase, that he may be allowed to rent the Bungalow at 20 Rupees a month, which I consider a fair rent, and the rate at which it has been for a short time temporarily rented to the North Tinnevelly Missionaries.

Mr. Tod will have to provide accommodation for his Kacherí, and will be entitled to draw extra tentage on that account.

3. The arrangement now proposed by the Board for placing the Head Assistant at Tutacorin, would still leave each Officer's charge perfectly compact; and in that event, Mr. Wright the Deputy Collector in charge of the Salt would be relieved of all Police duty, as the Head Assistant would have Revenue and Police charge of the two coast Táluqs, Oottapidáram and Thenkarai, and I consider this arrangement to be preferable to stationing the Head Assistant at Shermádavi.

1. Ordered to be submitted to Government with reference to the Board's Proceedings, dated 30th November 1860, now before them, paragraph 3 of the present letter referring to the same subject.

2. As regards the Bungalow at Strívilliputtúr, in the event of the change of charge being sanctioned, the Board would propose that the building should be retained to provide the Sub-Collector with a Kacherí, he being allowed to occupy a portion of it as a dwelling-house, rent free.

(Signed) W. HUDLESTON, *Acting Secretary.*

No. 243. ORDER THEREON, 17th January 1861, No. 122.

1. Accommodation may be afforded to the Head Assistant in the Bungalow, but the Government see no reason for granting this rent free.

2. The rent of the entire building should be fixed at 10 per cent. on its value and the Head Assistant should be charged rateably for the accommodation afforded to him.

Secretary to Government.

Accommodation may be afforded by the Md Ass't in the Bungalow but the Govt Lee has taken for Cutcherry three rent free -

The rent of the Cutcherry Building should be fixed at 10 p. cent on its value and the Md Ass't should be charged rateably for the accommodation afforded to him I D

Note - By the arrangement recently ordered by Govt the Md Assistant is to be Stationed at Strivelliputtur.

The Coll's proposal that Govt should rent them Bungalow for 20 Rs to the Collector officer there and then pay Extra tentage for the accomodation of the Cutcherry is out of the question Strivelliputtur. A Md Ass't is rarely out in tents for more than 4 months in the year - so they pay Govt 240 Rs for rent and pay about Rs 640 Extra Tentage -

The Bd prefer that the Officer should have free Quarters only - but no other Md Ass't has this - The former plan seems to be charge him rateably for the accomodation allotted to him, fixing the rent

If the Govt build a house it is 10 p. cent. They order us to charge 10 p. cent. J. D
