Minutes of Consultations

14th September 1858

Back Nos 29 and 30

Order No 1233/11th September 1858

No. 29. Read the following Extract from the Proceedings of the Board of Revenue, dated 4th August 1858, No. 2943.

In Con. 4th August 1858. Read letter from the Collector of Rajahmundry, dated 15th July 1858.

(Here enter No. 79.)

In Con. 18th Feb. 1858. Resolved that the above letter be submitted to Government with reference to Extract Minutes Consultation in the Revenue Department, No. 186, dated 12th February last.

2. The Board observe that from the records in their Office it appears that the Peddapoor Zemindary in which the lands claimed are situated was released from attachment for arrears of Peishcush in October 1835, and placed in possession of Boochee Seetiah, the Widow of the 8th Zemindar, by whose orders according to the Memorialist's petition to the late Commissioner Northern Circars dated 7th February 1856, the Grant was in 1837 made to the Pagoda.

3. In 1846, the Zemindary reverted to Government and the emoluments were resumed as being a Grant of very recent date, which the Zemindar was not competent to make as a perpetual alienation from the public Revenues, nor the Government bound to respect.

4. The propriety of the resumption has on appeal been upheld by the Board, and also by Government.

5. The records in the Board's Office do not shew when the Endowments of the Choultries alluded to by the Memorialist were made, but the Grants must have certainly been made before 1833, in which year the Estate was under attachment, and subsequently to 1827, in which year Boochee Seetiah who conferred them, was placed in possession of the Estate by the decision of the Law Courts.

No Copy sent to Government.

6. The Board consider that the delay in submitting this reply to their Proceedings of 18th February last has been excessive, and needed explanation, which has not been afforded.

(A true Extract.)

Ordered that the memorial of *V. Chandra Mauli* be transmitted to the Honorable Court of Directors with the expression of the opinion of Government that the Memorialist's request is entirely inadmissible.
