Order No 1238. Dy 11th September 185

No. 39. Read the following letter from H. NEWILL, Esq., Director of Revenue Settlement; to W. H. BAYLEY, Esq., Acting Secretary to Government, Revenue Department; dated Guntoor 16th August 1858, No. 427.

SIR,

Para. 1. The Civil Auditor having declined to pass certain charges for books for the use of this Department as particularized below, I have the honor to request the sanction of Government for the same amounting to Rupees 99-4-0, and also for a few other books (the cost of which is a moderate sum which cannot be now specified) I am procuring from England for the use of the Superintendent Revenue Survey.

2. The first item in the list has already been authorized by Government in para. 2 of Extract Minutes Consultation dated 1st June 1858, No. 726.

3. Copies of the requisite Revenue Circular Orders and Regulations and Acts could not be obtained from the Government office or from the Board of Revenue, and at the suggestion of the latter, the portion described in the list were purchased at Madras.

From Board 14*th April* 1858.

4. I may add that it is desirable that the heads of the Settlement parties should have the means of informing themselves in the Chemicoagricultural science now brought to some degree of perfection in England and other such matters intimately connected with their duty and should also be provided with simple appliances for testing the soils.

5. A discretion is allowed* to the Superintendent Revenue Survey for furnishing appliances for his Department and I hope the Government will see fit to sanction a discretionary outlay for the purposes above described (which will be of a much more limited nature) without the necessity of applying for special sanction for every little item of the kind.
