Book No. 41 & 42

Order No 1239 dy 11th September 1858

No. 41. Read the following Extract from the Proceedings of the Board of Revenue, dated 18th August 1858, No. 3150.

In Con. 7th July 1858. Read again letter from the Acting Collector of Malabar, dated 11th June 1858, requesting sanction for an additional sum for Saderwared charges.

In Con. 18th August 1858. Read also letter from the same Officer, dated 30th July 1858, furnishing the further information required on the above subject.

(Here enter No. 125.)

Resolved that the foregoing letters with the enclosure of the first be submitted for the orders of the Right Honorable the Governor in Council.

2. It will be seen from the Abstract Statement entered in the margin of para. 1 of the second letter recorded above, that the actual charges incurred on account of the Revenue and Magisterial Saderwared of the Malabar District for Fusly 1267, amounted to Rupees 6,423. This sum exceeds the standard Saderwared Estimate sanctioned by Government on the 8th March 1853,* No. 268, R. D., by Rupees 256, but falls below the revised one prepared according to the instructions of Government, dated 19th September 1857,† No. 958, R. D., by Rupees 496, and the actual expenditure of the previous Fusly by Rupees 1,016.

* In Consultation 17th March 1853.

† In Consultation 2d October 1857.

3. The Acting Collector explains that the excess of Rupees 449 in the Magisterial Saderwared above the standard Estimate is attributable to a considerable increase in the business transacted in that Department within the last 5 years as compared with what it was formerly, and also to the high price of oil, and the establishment of an Ameen's Cutcherry at Chavasherry.

4. It will also be observed that the increase in the Magisterial Saderwared is reduced to nearly one half by a decrease of Rupees 193 in the expenditure on that account in the Revenue Department, and that although the sanctioned amount has been exceeded, the quantity of articles purchased in Fusly 1267 for both Departments is less than the standard Estimate; thus shewing that the high prices of the principal items of Saderwared are mainly the cause of the increased expenditure.

5. Under the explanation given above, the Board of Revenue recommend that sanction be granted for the Saderwared charges of the Revenue and Magisterial Departments for Fusly 1267, amounting together to Rupees 6,423-5-3.

No. 42. ORDER THEREON, No. 1239; dated 11th September 1858.

1. The Board of Revenue submit certain correspondence with the Collector of Malabar and request the sanction of Government for Rupees 6,423-5-3 being the amount of Saderwared charges of the Revenue and Magisterial Departments of the District for Fusly 1267.

Vide Board's Circular dated 21st July 1857, *No.* 2446.

2. Under recent orders it is not necessary that sanction should be accorded for

the entire sum. The Government see that reference is made to them on the subject because the actual expenditure has exceeded the authorized aggregate amount for both the Departments alluded to, by Rupees (256-5-3) two hundred and fifty six, annas five and pice three, and this increase is now sanctioned.
