Fort Saint George, Revenue Consultation of 6th February 1857.

No. 73 Read the following Extract from the Proceedings of the Board of Revenue; dated 17th January 1857, No. 211.

Read letters from the Collector of Rajahmundry and the Collector of Guntur dated 3d January 1857 and 31st December 1856.

(Here enter Nos. 2 and 175.)

Ordered that the foregoing letters be submitted to Government, with reference to the Board's Proceedings dated 24th December 1856, No. 4405.

2. The Collector of Rajahmundry reports that he has not yet increased or altered the Establishment at Pittapore, the Cotaur it is proposed to retain; but that in consequence of the salt at Mogultore having been nearly disposed of, he had reduced the Establishment at that place to the extent of 63 Rupees per mensem.

3. With reference to the remarks of the Board in para. 10 of their Proceedings adverted to above, he submits a revised list of Establishment, the monthly charge for which is Rupees 488, exceeding that proposed by Mr. W. Elliot by only 1 Rupee. Some of the minor details differ; but the Board see no reason to object to them, and resolve to recommend that the Collector may receive authority to carry the new arrangement into effect, as he proposes as soon as the sales are completed, and the Establishment dispensed with at Mogultore, which will be the case, according to his calculation, by the end of the current month. The pay of the Superintendent however, should, until further orders, be fixed at 150 Rupees a month only.

4. The Acting Collector of Guntur states in answer to a question by the Board, that the new Establishment proposed for Chinna Ganjam may, as a temporary measure, be made to suffice for the superintendence of the transactions at Peraly and Nizampatam, in the former of which Cotaurs only 5 or 6 heaps remain undisposed of; but he has omitted to notice the request of the Board for a further report relative to the excess in the Establishment proposed by him above that sketched out by Mr. W. Elliot. The Board are unable therefore to lay a definite proposition before Government, Mr. Newill will be so good as to supply the further information requisite with as little delay as possible.

5. If the supply of salt required cannot yet be prepared at Chinna Ganjam, the Collector must of course continue the manufacture at Pedda Ganjam; but so far only as is absolutely necessary.

6. The Board notice that the salt in store at Pedda Ganjam has been sold off.
