Proceedings of the Madras Government, Revenue Department, 22nd January 1861.

No. 304. Read the following letter from G. N. TAYLOR, Esq., Inám Commissioner, to J. D. SIM, Esq., Acting Secretary to Government, Revenue Department, Fort Saint George, dated Palmanair, 21st December 1860, No. 518 :—

SIR,

1. Adverting to my letter to Government, dated 21st September 1860, No. 311, forwarding a statement showing the whole of the Establishments attached to this Commission, and the additions that are required to complete their efficiency, which it is believed is still under the consideration of the Government of India, I have the honor to state that the proposed increase to the number of copyists in the Central Office becomes every day more urgent. To prevent the further accumulation of arrears, to which a large addition is made by every week's delay, I beg to solicit the authority of Government to complete the strength of my Office Establishment according to the scale proposed, from the 1st January next, in anticipation of the sanction of the Government of India.

2. I beg also to report for the information of Government that the Civil Auditor declines to pass the abstracts which have been submitted to him by several of the Deputy Collectors on account of the extra Peons employed by them under the sanction of Government, dated the 12th September 1860, No. 1,581, and I request that, as this is likewise a case of emergency, the Government will be pleased to pass special orders on the subject.

No. 305. ORDER THEREON, 22nd January 1861, No. 153.

1. Under the circumstances represented by the Inám Commissioner and in anticipation of the sanction of the Government of India, the Honorable the Governor in Council grants authority to complete the strength of the Commissioner's Office Establishment from the 1st of January 1861, according to the scale proposed by Mr. Taylor in his letter of 12th September 1860, No. 324.
