Order no 176 D 10th Feb 1858

Fort Saint George, Revenue Consultation of 16th February 1858.

No. 1. Read the following Extract from the Proceedings of the Board of Revenue; dated 18th January 1858, No. 229.

Read letter from the Acting Collector of Masulipatam, dated 9th December 1857.*

(Here enter No. 233.)

In the above letter the Acting Collector meets the requisition of Government in paras. 5, 6 and 7 Extract Minutes Consultation 20th October 1857, No. 1073, R. D., for additional information regarding the Toll levied on the Pettah canal at Masulipatam.

2. It appears that a Toll of 1 Rupee has hitherto been "levied at the basin on every dhoney landing cargo or embarking it at the basin," and this "as many times as a boat did" so "in a day." From this Toll however, boats employed by Government are represented to have been exempt.

3. The Memo. referred to in para. 3 gives the number of boats as about 43 and the number of trips in the year at 1245. This would make the Toll a little less than 104 Rupees monthly, while the average monthly trips of each boat would be less than 3. This seems so small a number of trips that explanation is necessary.

4. The tonnage rate, proposed by the Board and sanctioned Pro. to Govt. 15th Sep. 1857. by Government, was founded on the Acting Collector's representation that the boats using the canal were of 3 classes; viz. 8-12 and 16 tons. It now appears that boats of more than 16 tons, ply on the canal and the Board wish to know what special reasons exist to prevent their being charged 1 anna per ton like all other boats.

5. It should also be explained how other than Government stores are landed at the fort, in contravention of para. 22 Extract Minutes Consultation 24th August 1855, P. W. D. No. 459.

(A true Extract.)

(Signed) J. D. SIM, Acting Secretary.

No. 2. ORDER THEREON, No. 176; dated 10th February 1858.

Before passing orders on the above Proceedings, the Government resolve to await the further explanations called for by the Board of Revenue on points connected with the Toll levied on the Pettah canal in Masulipatam.

(Signed) H. FORBES, Acting Secretary to Government.

Extract from the Proceedings of the Board
of Revenue, dated 18 January 1880.

This letter from the
 Collector of *Aloualipontanus* *shufeldti*
 In Can 18th Jan^y 1888. December 1877.

Barber 233.

In the above letter, the
 a change of location, means the suspension
 of Government aid. Since, I have by letter
 to the said Convention, 20th October 1857
 at page 12, for additional information
 regarding the toll levied on the St.
 Lawrence Canal at Haast's Rapids.

2. It appears that a toll
of 1 Rupee has hitherto been levied
at the basin on every Phoney load-
ing, cargo or embarking it at the
Basin, ~~and this~~ ^{at} many times
as on that old ^{as} as a day. From
this toll however boats employed
by Government are exempted.

to have been exempt.

3. The *Memo* referred to in No. of boats 8. Para 3 gives the number of boats as about 43 and the number of trips on the year at 124. This would make the Toll a little less than 104 Rupees Monthly; while the average Monthly trips of each boat would be less than 3. This seems so small a number of trips that explanation is necessary.

4. The Tonnage rate proposed by the Board and sanctioned by Government was founded on the Acting Collector's representation that the Boats using the Canal were of 3 classes; Vests 8-12 and 16 Tons. It now appears that Boats of more than 16 Tons ply on the Canal and the Board wish to know what special reasons exist to prevent their being charged 1 Anna per Ton. The all

all other boats.
