Proceedings of the Madras Government, Revenue Department, 26th January 1861.

No. 374. Read the following letter from W. HUDLESTON, Esq., Acting Secretary to the Board of Revenue, to J. D. SIM, Esq., Acting Secretary to Government, Revenue Department, Fort Saint George, dated 5th January 1861, No. 43 :—

SIR,

1. With reference to paragraph 3 of the Proceedings of Government, dated 25th October 1860, No. 1,961, Revenue Department, I am directed by the Board of Revenue to submit a list of the towns in which they propose that wholesale dealers in Tobacco shall be required to take out 1st Class Licenses in the event of the Bill passing into Law.

2. The Board's Circular to Collectors was issued before receipt of the Government Proceedings above quoted, and their replies contain no estimate of the number of dealers to whom this classification will apply nor indeed was it possible for such estimate to be formed before the selection of towns was made.

3. If, however, the Government approve of the present list and think it desirable to do so, the Board can at once call for such an estimate, but they are of opinion that no good end is attained by requiring such approximate results to be calculated, as they are likely to affect disadvantageously the actual ultimate results.

No. 375. ORDER THEREON, 26th January 1861, No. 188.

1. The Government approve the list submitted with this letter, of towns in which it is proposed to require dealers in Tobacco to take out 1st Class Licenses under the forthcoming Act. On the promulgation of the Act the Board will circulate the list to all Collectors with instructions to publish in their Gazettes so much of it as relates to their respective Districts.

2. Under the opinion expressed in paragraph 3, the Government will dispense with the estimate called for in the Order of October 25th, No. 1,961, of the number of 1st Class dealers.

(Signed) J. D. BOURDILLON,
Secretary to Government.
