Sir

Under
Sec III Chapt
III of the
Absentee
Regulation
Civil Au-
ditors Manual.

I have the honor to request
that you will submit with your re-
commendation my application
for 3 months privilege ^{leave} to the Secretary
Hills, from the 1st of the month
of February next by which time
I hope to have completed the finalizing
of the 3 more Northern ~~Tablets~~ of
my Division leaving that of ~~Tablets~~
only take under the new under such
arrangement as you may con-
sider most expedient.

It was my wish to finish
the settlement of my Division before
my departure, but by so doing I
should be unable to get back to my
Head Quarters before the commencing
ment of the monsoon, and I have therefore
calculated on your willingness to provide
for that portion of my duty.

In February & March 1854.
I had 2 months leave since which
I have not been absent from my
duty, so that if you are satisfied
that no inconvenience will arise
to the public service from my temporary
absence, and that the state of the
Division is as tranquil and satis-
factory as I believe, and have
recommended it to be, I am in hope
that

that you will give my present
application your support and
recommendation to be submitted
to Government.

I have the honor to be
your most obedt Servt.
