Sir,

1. With reference to the correspondence noted in the margin passed in the Financial Department, I have the honor to forward herewith draft copy of a form of Treasury account of a Collector to be introduced in all the Districts under this Presidency from the 1st of May 1858 under the resolution of the Government of India communicated with the Extract Minutes Consultation of the 12th June 1857.

2. This form has been prepared in conformity with the instructions of the Supreme Government and with the form now in use in Bengal. Before getting the same printed and forwarded to the Collectors with a Memorandum of instructions, I have thought it proper to forward it for your concurrence and for the sanction of the Government in reference to their resolution dated the 9th January 1856, and the previous correspondence* of dates also entered in the margin.

To Board of Revenue 9th March 1855, No. 1693.
From Board of Revenue 29th March 1855, No. 776.

3. The Government are aware that the preparation of the form of Chittahs to be adopted in the Treasuries of Collectors under this Presidency has been allotted to the Revenue Secretary to Government in communication with the Accountant General in the manner prescribed by the Minutes of Consultation of the 9th January 1856, already referred to. But it appears to me that their subsequent orders† dated the 12th June 1857 supersede those of the 9th January 1856. If I am right in this view, I would beg to be favored with the orders of Government as to whether the forms and instructions contained in the latter part of the accompanying printed Book,‡ are to be extracted, printed and circulated to Collectors, for adoption from 1st May 1858, with the modifications and alterations of names, headings and particulars, which the local circumstances of this Presidency may render necessary.

Sir,

§ *With which was forwarded draft copy of a form of Treasury account of a Collector to be introduced under this Presidency under orders from the Supreme Government.*

With reference to my letter to your address dated the 23d Ultimo.§ No. 277, I have the honor to refer you to the Extract from the Minutes of Consultation dated 22d Ultimo, No. 879, in the Financial Department, (since furnished to me) passed on a letter from the Secretary to the Government of India of the 30th November last.

No. 45. From G. L. PRENDERGAST, Esqr. Accountant General; to the Acting Secretary to Government Revenue Department; dated Fort St. George, 11th January 1858, No. 222.

Sir,

In continuation of my letter of the 23rd Ultimo, I have the honor to forward herewith a form of supplementary Treasury account of a Collectorate, to be introduced under this Presidency for exhibiting the transfer transactions distinct from their Cash Receipts and Disbursements, in which form the accounts will be rendered to this office by the Collectors from 1st May 1858 under orders from the Supreme Government.

No. 46. ORDER THEREON, No. 195; dated 16th February 1858.

In the communications above recorded, the Accountant General submits for approval, draft copy of a Form of Treasury account of a Collector, according to the Bengal sytsem; and requests to be informed whether he is to consider the order of 9th January 1856, in which the preparation of the Form of Checks to be adopted in the Treasuries of the Collectors under this Presidency, has been allotted to the Revenue Secretary in communication with the Accountant General, as having been superseded by the recent orders issued from the Financial Department for the introduction into this Presidency, from the commencement of the official year 1858-59, of the Bengal system of accounts.

2. The Government observe that the introduction at once of all the details of the Bengal system in respect to cash receipts and disbursements, will interfere in no small degree with the orders which have been issued from time to time in regard to the responsibility of the Serishtadar and other servants of the Collector's office. It is therefore highly desirable that all such orders should first be collated, and the Bengal system introduced with such modifications as may be found necessary to maintain the responsibility of the subordinate servants, as also to suit local circumstances. Under these circumstances, the Right Honorable the Governor in Council thinks it proper to request Mr. Prendergast to introduce the Bengal Forms of monthly and annual accounts to be furnished by the Collectors, and to leave the details undisturbed till all the Hoozoor accounts have been revised as already ordered. The revision will be made as far as possible to suit the Bengal system in detail also, and also to agree with the system already prescribed for the preparation of Talook Accounts. The Form of Treasury account submitted by the Accountant General has the approval of Government; and they direct that it be printed and forwarded to the Collectors with the necessary instructions for its introduction from the commencement of the next official year.

(Signed) H. FORBES,
Acting Secretary to Government.
