Proceedings of the Madras Government, Revenue Department, 28th January 1861.

No. 407. Read the following letter from H. NEWILL, Esq., Director of Revenue Settlement, to J. D. SIM, Esq., Acting Secretary to Government, Revenue Department, Fort Saint George, dated Madras 5th January 1861, No. 30:—

SIR,

1. With a view to give permanency to the boundaries of Survey fields and of Villages, my late Deputy in the Kistna District undertook to supply the Ryots, at their instance, with Palmyra seeds to be sown on the boundaries, intending to recover the cost from them on the adjustment of the accounts. In consequence however of the inclemency of the weather at the time the distribution was made, a large portion of the seeds was injured in transit, and, except in a few instances, rotted in the ground, so that the experiment was attended with little success.

2. The expense incurred on this account aggregates Rupees 76-8-8, and, in consideration of the damaged state of the seeds at the time of distribution and the very small cost assignable for them to each village, being on an average less than 3 Rupees, which again has to be allotted to the different ryots, I have the honor to request sanction for the charge being borne by the State, and paid out of the advance made for the construction of boundary pillars.

3. I append a statement of the quantity of Palmyra seeds purchased, their cost and the expenses of carriage, and particulars of distribution.

Statement of cost, &c., of Palmyra seeds supplied to the Villagers in the Nandigáma and Bezwáda Táluqs of the late Masulipatam District.
