Fort Saint George, Revenue Consultation of 16th February 1858.

No. 69. Read the following letter from G. L. PRENDERGAST, Esq., Accountant General; to the Acting Secretary to Government in the Revenue Department; dated Fort Saint George 2d February 1858, No. 322.

SIR,

1st. In para. 6 of the Extract from Minutes of Consultation dated the 20th November last, No. 1185, the Government desire to be informed of the circumstances under which it was directed that the amount realized from the sale of avenue clippings should be credited to the General Revenue, I have the honor to state that no allusion is made to avenue clippings forming part of the local funds either in the Manual of Instructions of Government dated 18th April 1856, or in the Rules for the management of local funds sanctioned by Government in Extract from Minutes of Consultation dated 11th April 1856, No. 371.

No. 11. 2d. In para. 4 of Extract Minutes of Consultation dated the 29th August 1856, the Government approve of the transfer to the local fund, the sale proceeds of avenue clippings, as this Department however was not aware of the order for such transfer which was not received in this office, the Collector of Malabar was directed to credit the sums recovered on the above account to "Extra Revenue" according to the practice which then obtained. Instructions have been now issued to Collectors in view to placing to the credit of local funds in their accounts the sums realized from the sale of avenue clippings.

No. 70. ORDER THEREON, No. 209; dated 16th February 1858.

Ordered that the foregoing letter be recorded.

(Signed) H. FORBES,
Acting Secretary to Government.

Examples which are received in the Office for Collector of Revenue are directed to record the names received on the Collector's Revenue according to the several heads under which they are to be entered in the Collectors Cash Book, Journal & Ledger—
