Fort Saint George, Revenue Consultation of 12th March 1858.

No. 7. Read the following letter from J. W. DALRYMPLE, Esq., Under Secretary to the Government of India; to H. FORBES, Esq., Acting Secretary to the Government of Fort St. George; dated Fort William the 5th January 1858, No. 16.

SIR,

I am directed to acknowledge the receipt of your letter No. 1197 dated the 23d November last, submitting a Tabular Statement of the expense of feeding 4 Bullocks for Scavanger's carts to be employed at Ootacamund at a monthly charge of Rs 30.

The Right Honorable the Governor General in Council observes that this is a municipal charge, and there does not appear any reason why Government should be required to meet it.

Ordered in consequence that the following letter be despatched.

No. 8. From H. FORBES, Esq., Acting Secretary to the Government of Fort Saint George; to the Secretary to the Government of India, dated 3d March 1858, No. 283.

SIR,

With reference to Mr. Under Secretary Dalrymple's letter under date the 5th January last intimating that the Government of India see no reason why the State should be required to bear the charges of a Scavanger Establishment at Ootacamund, such charges being strictly municipal, I am directed to explain that there is no municipality on the Neilgherry Hills, and that the expenses of the small existing Establishment are defrayed from special sources, as already explained in the Tabular Statement which accompanied my letter of 23rd November 1857.

2. The maintenance of a Scavanger Establishment, such as the one now proposed, being represented by the medical authorities to be very necessary for the health of the settlement, which it must be remembered is frequently inhabited by invalids, I am directed to convey the earnest recommendation of this Government that the application made on the subject on the 23rd November last, may receive the early sanction of the Government of India.
