Fort Saint George, Revenue Consultation of 2d March 1858.

No. 13. Read the following Extract from the Proceedings of the Board of Revenue, dated 8th February 1858, No. 579.

* In Consultation 8th February 1858. Read letter from the Acting Collector of Masulipatam dated 2nd January 1858.*

(Here enter No. 5.)

In Consultation 5th January 1857. In his letter dated 19th November 1856, the late Acting Collector of Masulipatam reported the death of the Zemindar of Ootcoor leaving an only son aged 13. The deceased in his will appointed his elder wife, guardian of his son whose natural mother had died previously.

2. The Acting Collector reported that the widow was "represented to be an educated woman quite able and willing to have charge of the minor and the estate."

3. The Board recommended in consequence that the estate should be entrusted to her management and Government sanctioned this course intimating however their readiness to authorize the interposition of the Court of Wards if found necessary subsequently.

4. The present Acting Collector Mr. Knox states that the minor has quarrelled with his step-mother and is anxious to be placed under the Court of Wards. The step-mother has also failed to administer the minor's affairs with proper economy and the Acting Collector believes that the accounts she has rendered of her management are untrue.

5. He therefore recommends the interposition of the Court of Wards and under the circumstances stated the Board request authority to assume charge of the minor and his property.

6. The Acting Collector has omitted to recommend a guardian for the minor. The details of management will however be settled by the Board on receipt of the orders of Government. The education of the minor will also receive their prompt attention.

Resolved that a copy of these Proceedings be submitted for the consideration and orders of Government with reference to Extract Minutes Consultation 13th January 1857, R. D., No. 55.
