Memorandum.Settlement

1. The Settlement party in Salem fully accomplished the prescribed extent of work during the month, notwithstanding the difficulty of operations on the Shevaroy Hills.

2. The Kellone party also demonstrated the full extent.

3. The work of the Kistna party continued limited in extent owing to the same causes as operated in the previous month, the country being difficult and with a scanty and degraded population.

4. The Kurnool party is only under formation and the work was much impeded by cholera and heavy rains.

5. The portion of the Mysore party working in Coimbatore has progressed slowly owing to much inexperience among them in conducting the work in a new district, and also to the loss of time by sickness. Field work has been in abeyance in Mysore during the unhealthy and rainy months.

Survey

6. The Salem Survey party accomplished a fair outturn of work during the month.

7. The operations of the Godavery party were greatly impeded by heavy rains, inundation and also sickness in the upper taluks.

8. The Kistna party turned out nearly the same amount of work as in the previous month.

mouth, though it was impeded by heavy rains and also by the absence of villagers.

9. The Vallone party is under organization.

10. In the Wynaad party working in Coimbatore there is an improvement and the rate of work is good with reference to the number of acres employed.
