

MADRAS RECORD OFFICE.

Government of Madras.

Revenue DEPARTMENT.

G.O. No.	322	Press Mis.
Dated	June	18 67.

Not to be folded or roughly handled

There is a vacancy among
the Dep't of Mr in the former
District - the Dep't in charge
of the Salt Dept. having lately
died.

I beg to submit the name
of P. Venkatachellum,
now in the Suam Dept. of
that District. He was for-
merly a Jt. Magistrate there
& Sir Charles Trevelyan ap-
pointed him a Dep't of Colr.
The Suam Com^r? selects him
as one of his Deputies and
as he is no longer required in
that Dept. he has a fair
claim to be replaced in
his old place. I do not know

him personally - Mr Taylor
speaks well of him - and
he was twice selected - first
by Sir Charles Kerley and
then by Mr Taylor - so that
it may fairly be concluded
that he is a fit man.

Mr Parris would
like an European - con-
sistent with French - to
look after the Customs line
round the French settle-
ment of Fanning - in ad-
dition to other duties - but
I do not know where such
a person is to be found
at present possessing
all the qualifications.

There is also a vacancy
in the District District.
Mr Major Lorne is now
an Acting Dep Commr. vice
Mr Jellicoe - absent on S.C.
He bears a good character -
is a man of private means -
the member of a respectable
family long settled at
Mabulikatam - I do not
know him personally but
the accounts I have had
of him lead me to conclude
that he is a good officer -

Both these are salt of-
ferments - and whoever is
appointed should I think
be first nominated to that
special charge, until the

Colr. reports that the Dept
is in proper working order,
when they can be otherwise
employed. The Krishna Salt
Res. is large - that of the
foreray - not so large - as
I think - it should be.

There will be a temporary
vacancy at present
in the Dept. in consequence
owing to the illness of Mr.
Wright. Mr. Sellers who
now stands a fit man to
of the Krishna is anxious
to go there - This may be al-
lowed - I think - He is an old
Civilian - who retired after
a few years service - reported
to come back as a Missionary
Agent - when Lord Harris appointed

him a first class Deputy Colr.
The Colr. wishes to have an
Officer of Ex. Service.
J. P. J.

He was 4th class before
it is only a day 3rd class
in Indian Dept.
