Fort Saint George, Revenue Consultation of 6th January 1857.

No. 37. Read the following *Extract* from the *Proceedings of the Board of Revenue*; dated 13th December 1856, No. 4199.

Read letter from the Collector of Trichinopoly dated In Cons. 13th Dec. 1856, No. 3987. 30th September 1856, transmitting a Tabular Statement, shewing the alterations effected in his Collectorate to meet the charges for working his Printing Press.

(Here enter No. 161.)

The arrangements proposed by the Collector for providing a new Press Establishment were approved of by the Board in their Proceedings dated 29th January last; but as it is necessary, under the orders contained in Extract Minutes Consultation dated 16th September last, No. 990, to obtain the sanction of Government for the necessary alterations, the Collector now submits a Tabular Statement in the prescribed form for that purpose.

2. The Government will observe that the reductions consist of two Jewab Nevisses and two Goomastahs, the class of servants whose labours will be lessened by the introduction of a Press. The Board therefore request that the Government will accord their sanction to the arrangements already approved of by the Board.
