*Proceedings of the Madras Government, Revenue Department,
20th February 1861.*

No. 282. Read the following Proceedings of the Board of Revenue, dated 23th January 1861, No. 474.

Read the following letters :—

From J. D. ROBINSON, Esq., Acting Collector of North Arcot, dated Chittoor, 22nd December 1860, No. 307.

I have the honor to acknowledge the receipt of the Proceedings of the Board, dated 17th instant, No. 5,929, and with reference to the concluding paragraph thereof to state that in proposing to unite for the purposes of the Act, the two Zamindaris of Kangundi and Punganur with the Taluqs of Gudiatam and Palmaner to which they respectively adjoin, I intended, as the Board rightly conjecture, that the Tahsildars of those Taluqs shall be Assessors of Income Tax in the said Zamindaris. I have proposed that Arnee Jahgir shall be united with the Wandawash Taluq because by that arrangement, the work will be more fairly sub-divided than would be the case were it attached to the Taluq of Arcot to which it equally adjoins, but which is already of itself a heavy and difficult charge.

From J. D. ROBINSON, Esq., Acting Collector of North Arcot, dated Ranipet, 7th January 1861, No. 5.

1. I have the honor to acknowledge receipt of the papers noted in the margin, and regret to find that I have expressed myself loosely and inaccurately in the letter to which they refer when speaking of the small Arts and Trades Bill. My observations are only *prospectively* applicable to that measure which I was well aware at the time had not yet passed into law.

2. If I am right in presuming that this new tax will come into early operation, it was not, I respectfully submit unfair to include the additional work which its first introduction will undoubtedly entail among the considerations on which I have urged an immediate augmentation of my staff. On this subject, however, I am unwilling to press Government further, and shall wait patiently to hear what they can do for me, now that sickness has deprived me of another of my subordinates. I note the Board's instructions conveyed in paragraph 2 of their Memorandum under reply, and shall at once apply for the appointment of separate Assessors for the Arnee Jahgir, and Kangundi and Punganur Zamindaris, should the present arrangement not turn out on trial satisfactory.

Ordered that the foregoing letters be submitted to Government, with reference to paragraphs 4 and 5 of their Proceedings, dated 24th December 1860, Revenue Department, No. 2,514.
