Fort Saint George, Revenue Consultation of 30th March 1858.

No. 51. Read the following Extract from the Proceedings of the Board of Revenue, dated 16th March 1858, No. 951.

Read letter from the Collector of North Arcot dated 4th February 1858, forwarding copy of a letter from Mr. Sullivan dated 1st Idem reporting the progress made by him in laying out the Railway Pettah at Vellore.

In Consultation 16th March 1858.

(Here enter No. 23.)

Resolved that the above letter be submitted for the information of Government with reference to the Board's Proceedings dated 19th September 1857 and Extract Minutes Consultation 12th June 1857, No. 583, Revenue Department.

In Consultation 20th June 1857.

2. The Board think it desirable that Mr. Sullivan should resume operations and recommend his being supplied as soon as possible with the forms of Puttah and Moochilka which are to be adopted. Mr. Sullivan will state what additional encouragement he would recommend to induce persons to settle in the Pettah and the subject will then be reconsidered by the Board.

(A true Extract.)

(Signed) J. D. SIM, *Sub-Secretary.*

No. 52. ORDER THEREON, No. 407; dated 27th March 1858.

The Government observe that they have very recently called the attention of the Government Pleader to the orders quoted in the margin, in which he was requested to furnish forms of Puttah and Mochilka to be used in connection with the Railway pettahs, and they trust that Mr. Dale, will submit his reply at once.

Ex. Mins. Cons. 12th June 1857, No. 584.
„ 25th Septr. „ 985.

2. The Government understand from Mr. Sullivans' letter submitted with the Board's Proceedings above recorded that the ground marked for the Vellore Railway pettah has been of late constantly used for encamping, and for storing Military articles, as another piece of ground intended for such purposes was found two distant. It is very inexpedient to locate the pettah at a place which is likely to be required or interfered with by the troops and it is therefore necessary that Mr. Sullivan should give his best consideration to the subject before the pettah is actually formed.

Dated 1st February 1858.

3. The letters of both the Collector and Sub-Collector of North Arcot submitted with the Board's Proceedings above recorded are docketted on the wrong side, the Board will be good enough to instruct these officers to observe the correct mode in future.

(Signed) H. FORBES,
Acting Secretary to Government.
