Order No 434 21st April
1858.

Fort Saint George, Revenue Consultation of 9th April 1858.

No. 19. Read the following Remarks of the Board of Revenue dated 8th March 1858, on a Tabular Report from the Collector of Salem, dated 28th January 1858, on a lapsed Enam, No. 826.
In Consultation 8th March 1858.

Although the service, for which this grant was conferred has long ceased to be performed yet as the Enam was regularly transmitted to the last holder, through the male line from the party, who held possession previously to the date specified in Section 2 Regulation XXXI of 1802 and as Government have extended their liberality to the holders of such Enams by continuing them as subsistence grants, the Board recommend that this Enam be, in like manner, continued, for life, to the widow of the deceased, who, with her 3 children, is dependent on it for support.

(By Order.)
(Signed) G. S. FORBES, Secretary.

No. 20. ORDER THEREON, No. 434; dated 1st April 1858.

The Right Honorable the Governor in Council sanctions the continuance of this Enam to the widow of the late holder to whom it had descended in regular succession from his great grand-father the original grantee, observing that it was granted in A. D. 1743, and that although the peculiar service for which it is said to have been originally bestowed is no longer required, the family are dependant on it for support.

2. The Collector has improperly omitted to state in Col. 3 what documentary evidence exists relative to this grant.

(Signed) H. FORBES,
Acting Secretary to Government.
