*Proceedings of the Madras Government, Revenue Department,
23rd February 1861.*

No. 361. Read the following letter from WILLIAM FISHER, Esq., Collector, of North Canara, to J. D. BOURDILLON, Esq., Secretary to Government, Revenue Department, Fort Saint George, dated Pallah, 11th February 1861 :—

SIR,

1. The District Engineer has informed me that in consequence of the outlay required to furnish me with a Kacheri, Government have determined to reconsider present arrangements with a view to ascertaining whether it would not be better to reunite the Districts of North and South Canara.

2. At this moment active measures are in progress for the removal of my Establishment, Records and Treasury to Sircy, (lately named the Collector's head-quarter, station), as this change must be made at once, in order to enable the Office servants to provide accommodation for themselves and their families before the monsoon sets in.

3. The intelligence above alluded to however, obliges me to counter-order this movement pending receipt of further instructions from Government, as I do not feel justified in putting the Office servants or the Government to the expense attending the removal of my head-quarters from Honore, whilst the stability of present arrangements remains doubtful.

4. Under these circumstances I have the honor to request early intimation by Telegraph (*via Dharwar*) of the decision of Government, as I anticipate obstruction to public business and great personal inconvenience to the members of my Establishment, should delay occur in its receipt.

ORDER THEREON, 23rd February 1861, No. 438.

No. 362. 1. The Collector will be informed that the Government have no intention of reuniting North and South Canara.
