Order No. 441 of 7th April
1858.

2

Fort Saint George, Revenue Consultation of 9th April 1858.

No. 32. Read the following Extracts from the Proceedings of the Board of Revenue; dated 19th October 1857, No. 3510.

In Consultation 1st October 1857. Read again Statement from the Acting Collector of Ganjam dated 7th August 1857.

In Consultation 19th October 1857 Read also letter from the same Officer dated 10th August 1857.

(Here enter No. 124.)

Resolved that the above letter and its enclosure be laid before Government with reference to Extract Minutes Consultation 16th May last (Revenue Department No. 463) and 14th July last (Marine Department No. 272.)

2. In the first of the Minutes Consultation above referred to the Board were requested to consider what additional expenditure was requisite to place the Sea Customs Establishment of Ganjam on a footing of efficiency and to submit a Statement in the prescribed form.

3. The existing charge for Sea Customs Establishments in Ganjam amounts to Rupees 117½ per mensem. The changes now proposed involve an additional expenditure of Rupees 271, but of this sum Rupees 205 is made up of a moiety of the salaries of the Conservators and Master Attendant whose employment has been determined on in the Marine Department. These Officers in addition to their duties in that Department are also to superintend the collection &c., of the Customs at their respective Ports. The Board would certainly have hesitated in recommending salaries so much in excess of those generally given to Sea Customs Managers but they conclude the arrangement whereby the allowances of these 3 Officers are debited in equal shares to the Revenue and Marine Departments has the approval of Government:

4. The other charges amounting to Rupees 66 call for little remark, the Sea Customs Establishment of Ganjam being manifestly very weak, and the remuneration allowed often inadequate. It is proposed to raise the pay of the peons from 2 to 3½ Rupees and to employ 9 more. An addition of 7½ Rupees is also to be made to the salaries of the Goomastahs at Sonapore and Poondy who now only get 10 Rupees, and the pay of those at Barwah and Barwanypore is to be increased from 7 to 10 Rupees. These arrangements the Board think very necessary.

5. The Sea Custom Revenue of 1855-56 was Rupees 36,561 and the charges on the new scale will be Rupees 4,662 or about 13 per cent.

6. The value of the Exports and Imports at all the Ports of the Ganjam District is given in the margin. The extensive trade of the District seems to the Board fully to warrant the additional expenditure now proposed, if financial considerations permit the outlay.

No. 33. Extract from the Proceedings of the Board of Revenue; dated 15th January 1858, No. 165.

In Cons. 15th January 1858. Read Extract Minutes Consultation under date the 24th November 1857.

(Here enter No. 2167, P. W. D. Public.)

With reference to paras. 2, 4, 15, of the above Extract Minutes Consultation, the Board remark that in their Proceedings dated 19th October last No. 3510, they submitted to Government a Tabular Statement received from the Acting Collector of Ganjam of alterations proposed in the Sea Customs establishments of that district.
