Forwarded to Government with reference to Extract Minutes Consultation, dated 16th February 1858, No. 200, R. D.

REVENUE BOARD OFFICE,
Fort Saint George,
9th March 1858.

(Signed) G. S. FORBES,
Secretary.

No. 38. ORDER THEREON, No. 443; dated 8th April 1858.

1. The delay which has occurred in the Board's office in submitting these Returns of dismissals of Public servants during the second half of the year 1856, is altogether unexplained, and is such as to nullify the purpose for which they are required.

It is observed that the latest of them reached the Board on 4th March 1857, and the delay of upwards of a year from their receipt in forwarding them to Government is inexcusable.

The Government must insist on greater punctuality in future.

2. But few of the Returns seem to require notice from Government, but the attention of the Board is called to the following points.

Return from Ganjam for 3rd Quarter of 1856.

3. This Return was not sent to the Board till 29th November 1856, and includes

one case of resignation on account of ill-health, which should not have been entered.

Do. do. for 4th

do. Is dated 24th February 1857.

Do. from Bellary for

do. The period of the suspension in case No. 2 was improperly omitted from the Return.

Fort Saint George, Revenue Consultation of 9th April 1858.

Do. from Coimbatore for 3rd quarter of do. Is dated on 30th September but did not reach the Board till 5th November, and includes a case, No. 1, which would seem to be one of absence on sick leave, and if so, is improperly entered.

Do. do. for 4th do. Is dated 31st December and received on 5th February 1857, and the entry of the case included in it is altogether insufficient as it shows neither the cause nor the period of the suspension.

In both of these Returns the date of dispatch is manifestly fictitious, as they are also in the cases of those from Malabar for both quarters, and that from Madura for the 3rd quarter.

4. Excessive delay is apparent in the submission by the Collector of Cuddapah of the Returns for both quarters, and of that from Masulipatam for the 3rd quarter.

Altogether out of 23 Districts and offices included in the abstract Return, only in 10, did any cases occur such as required to be reported to Government, and the whole number of cases is small.

5. The attention of the Board is called to the remarks of Government in paras. 3, 9 and 10, of Extract Minutes of Consultation dated 13th January 1857.

(Signed) H. FORBES,
Acting Secretary to Government.
