Order no 4572/ 9<sup>th</sup> April 1858.

*Fort Saint George, Revenue Consultation of 9th April 1858.*

No. 65. Read the following Extract from the Proceedings of the Board of Revenue; dated 29th March 1858. No. 1114.

Read Extract Minutes Consultation, dated 20th March 1858, R. D.  
(Here enter No. 364.)

As exception has been taken to the course adopted by the Board on this occasion, they deem it proper to point out that they were not laying before Government an application from an officer seeking for an appointment, but an official request from the head of a District, that the subordinate Officer whom he had been obliged to place in charge of the sub-division might be appointed to officiate in the post. As this arrangement would have strengthened the officer's authority by formally vesting him with the position of a Joint Magistrate and a Sub-Collector, the Board considered it proper to give the proposal their support and felt the less hesitation in doing so, as Mr. Pelly shewed in his letter that the application made by him involved no question of allowances.
