Fort Saint George, Revenue Consultation of 13th April 1858.

No. 3. Read the following Extract from the Proceedings of the Board of Revenue; dated 18th March 1858, No. 970.

In Cons. 18th March 1858. Read letter from the Collector of Chingleput dated 15th January 1858 furnishing further information regarding the lands of the Shotriemdar of Adumbaukum in the Cantonment of St. Thomas' Mount.

(Here enter No. 10.)

In Cons. 7th August 1857. Resolved that the foregoing letter and the correspondence noted in the margin be submitted for the orders of the Right Honorable the Governor in Council.

In para. 2 of Extract Minutes Consultation Revenue Department, No. 753 dated 27th July 1857, Government concurred with the Board that it would be sufficient to purchase the proprietary rights of the Zemindar of Palaveram and the Shotriemdar of Adumbaukum to their lands situated in the Cantonment of St. Thomas' Mount without disturbing the rights of their subtenants, and accordingly directed the Collector of Chingleput to report what amount of compensation the proprietors would demand for relinquishing their rights to Government.

In Cons 11th Dec. 1857. 2. In his reply dated 17th November 1857, Mr. Shubrick stated that the Shotriemdar of Adumbaukum claimed an annual payment of Rupees 721 for his lands, and that he requested that it might be met by remitting Rupeess 106-15-2 from his Jodee on account of Adumbaukum; Rupees 364-15-4 on account of his Shotriem village of Reddy Cooppum in the Teeroporoor talook, and by a cash payment of the remainder, viz. Rupees 250, or the gift of a village of this value on Shotriem tenure.

In Cons. 6th July 1857. 3. The compensation demanded by the Zemindar of Palaveram was found by Mr. Shubrick to exceed the amount (Rupees 249-6-10) shewn in his (the Collector's) letter to the Board dated 2d June 1857, and he therefore deferred recommending the Zemindar's claim until further enquiry was made.

In Cons. 6th July 1857. 4. The Board however, before submitting the arrangements with the Adumbaukum Shotriemdar for the orders of Government requested fuller explanation on some points, viz. the actual receipts of the Shotriemdar on the lands entered in the statement accompanying his letter dated 2d June 1857, the extent of waste and unoccupied land included in the property to be purchased; the description of the value entered opposite the enam shewn in the statement &c.

5. In the communication entered at the head of these Proceedings, Mr. Shubrick explains that the aggregate amount (Rupees 721-3-10) shewn in the statement is the fixed assessment on the lands and not the actual receipts of the Shotriemdar which are much less and vary every year. But it appears that from further enquiry Mr. Shubrick has been able, with the consent of the Proprietor, to reduce the amount of his claim to about Rupees 614 in round numbers, as shown in the margin.* The difference consists of the value (Rupees 23-1-0) of the enam entered in the Statement, of three other enams which are not so distinguished in the Statement, but one now said to be included in the Waraput lands and valued at Rupees 26-4-0, and of 60 Rupees on account of Merahs to Curnums and Taliars and which expense will devolve on Government when the lands are transferred to the Collector's management.

8. The Board recommend that the Collector should be authorized to assume charge of the lands under reference from 1st July 1858 as proposed by him, to make the remissions requested by the Shotriemdar and to select a village with the approval of the Board to be granted in lieu of the balance which will still be due to him. If however Government are not disposed in a case like the present to grant a village, the Collector will be directed to ascertain and report what amount of compensation in cash the Shotriemdar will demand.

9. The lands referred to at the close of the Collector's letter will be the subject of a seperate arrangement with the Zemindar of Palaveram.
