Order No. 4632/10^a April 1858.

Fort Saint George, Revenue Consultation of 13th April 1858.

No. 9. Read the following Extract from the Proceedings of the Board of Revenue; dated 8th April 1858, No. 1204.

In Consultation 8th April 1858. Read letter from the Acting Collector of Masulipatam, dated 10th March 1858.

- 3 Kistnapoorum.
- 4 Taudapully.
- 5 Coorloor.

In this letter the Acting Collector requests authority to make an advance of Rupees 800 to the residents of five villages in the Pentapaud talook of his district to enable them to construct wells. The population of the villages is 2,000, and the revenue derived from them amounts to Rupees 4,000.

2. It is represented by the residents that their villages are destitute of drinking water for more than six months in every year, and the Acting Collector states that in the present season, owing to the want of rain, the supply of drinking water has failed sooner than usual, and that it is feared great distress will be experienced by the inhabitants of these villages unless wells are provided for them.

3. Under these circumstances the Board recommend that sanction be granted for making an advance of 500 Rupees to the inhabitants for the construction of wells in the villages of Poolayagoodem, Neeladypoorum, and Kistnapoorum at an estimated cost of 150 Rupees each, the amount to be repaid in 3 years. The Acting Collector will make arrangements for having the wells properly built.

	Population.	Revenue.
Taudapully	948	2,275
Coorloor	614	922

4. Considering the population and revenue of Taudapully and Coorloor, the Board are of opinion that the inhabitants of those villages are able to bear the small charge required for building wells. The Board therefore decline

to recommend the grant of an advance in their case.

Ordered that a copy of the foregoing Proceedings be submitted for the orders of the Right Honorable the Governor in Council.
