No. 47. Read the following *Extract from the Proceedings of the Board of Revenue*; dated 17th December 1856, No. 4285.

In Cons. 17th December 1856. Read letter from the Acting Collector of Masulipatam dated 19th September 1856.

(Here enter No. 126.)

In the foregoing letter the Acting Collector explains that, as he found it impracticable to make reductions in those Departments where the work is lessened by the use of a Press, he was compelled to propose them in those quarters where they could be effected with the least inconvenience. He alludes also to the deficiencies in his existing Establishments, and to the difficulty of meeting the requirement of Government, and requests that his proposition for meeting the charges for the Press be again submitted for the confirmation of that authority.

2. The Board observe that provision has been made for the Press Establishment in the revised Moyenzabitah submitted by the Acting Collector in his letter dated 15th November last. The subject will therefore be disposed of with the latter communication. The Board however resolve to submit a copy of these Proceedings for the information of Government, with reference to Extract Minutes Consultation dated 2d September 1856, No. 925.
