Fort Saint George, Revenue Consultation of 13th April 1858.

No. 27. Read the following letter from H. CLEGHORN, Esq., M. D., Conservator of Forests; to the Secretary to Government Revenue Department Fort Saint George, dated Madras 17th March 1858, No. 308.

SIR,

M. of C. dated 19th Oct. 1857, No. 1072, R. D. With reference to the order of Government marginally noted, in which the payment of Rupees 2,500, to the ryots who effected the capture of 16 Elephants was sanctioned, I have the honor respectfully to submit that the sum therein granted should not be deducted out of the Rupees 10,000 formerly sanctioned to this Department, inasmuch as the hunt was organised by the Collector of Coimbatore, and two Elephants only of those that survived have been reserved for the use of the Annamallay Forests, the others being urgently required for the Commissariat Department. The value of these two as stated by the Collector of Coimbatore is Rupees 1,920, and I would respectfully suggest that that amount should be debited to this Department, in which case the account would stand as per annexed Statement.

As it is probable that additional Elephants will be required in this Forest, I have the honor to request that the unexpended balance of Rupees 4,255-9-10, may still be left at my disposal for expenditure in the purchase of Elephants when required.

Amount sanctioned in Extract from the Minutes Consultation 23rd June 1856, Rs. 10,000.

No. 28. ORDER THEREON, No. 472; dated 12th April 1858.
